

Sixty Women's Petticoats

SATURDAY 69 CENTS EACH

A black mercerized Satine Petticoat measuring ninety-four inches around an inside flounce which is fourteen inches deep, having a four inch dust ruffle and twelve rows of cording. The quality of the satine is splendid, as good and better than comes in some of the \$1.00 and \$1.25 Skirts. At 69 cents we never saw a Skirt that would touch it for value. Sixty of these go on sale Saturday morning—we know there won't be half enough to go around but try and be one of the fortunate ones.
