FOR SALE—Farm with an income of over \$500.00 a year. We have just listed a 120 acre farm which we believe pay better and produces more than any farm of its size that we have ever handled. Place will keep 40 cows. Buildings are good; tillage lies well and when we say that there are about 20 acres of tillage the same produces over 100 tons of hay per year, you will see that it is in a high state of cultivation. With the farm the owner wishes to sell 200 milk cows (established over 15 years) which pays seven cents per quart in the winter and six cents per qt. in the summer; 1 pair gray horses, used on the milk wagon and sleigh, also a good set of sugar tools. Price for all only \$200.00. Terms one-half cash. Will sell cows very low. This is a bargain for anyone and will not remain on the market long. 2321
