

SEWING MACHINES AT COST

An Opportunity that very, very Seldom Comes to the People of Barre

An opportunity to buy a genuine Standard Rotary Sewing Machine, the best machine in the world. Really two machines in one for it does chain stitching (as well as lock stitching) a work which other companies build a special machine for.

The Rotary Shuttle saves wear and tear. It runs like a wheel—no stop, no start, as against two stops and two starts for every stitch made on a vibrator.

The Rotary needle bar has only two motions to every stitch, whereas the vibrator has four.

The Rotary Shuttle in making a stitch simply revolves on its own axis, while a Vibrator Shuttle travels six inches in one direction and six inches backward during formation of one stitch.

These are the reasons, it is the quietest and the easiest Machine made.

A Few More to Close at Cost

When these are sold such an opportunity probably won't come again for some time.

Standard Rotaries from \$20 to \$35

Former prices \$32 to \$50.

Latta, pastor of the People's church, Montpelier, and Rev. Mr. and Mrs. General of Burlington will be present. Several are expected to attend from Montpelier and East Montpelier. All are invited.

On account of the members of Gilbertson's orchestra having to play in the opera house at Montpelier to-night, and other musicians in the city being engaged, there will be no rehearsal of the Barre Citizens' band this evening. Whittier's orchestra being away, Gilbertson's orchestra was hired to play for the "Polly of the Circus," which shows at Montpelier this evening.

On Monday evening Charles K. Harris and May Melvin, supported by the Harcourt Comedy Co., opened a week's engagement by presenting a sterling comedy drama, entitled, "A Fight for a Million." In this play Mr. Harris appeared to excellent advantage as the big-hearted Westerner who saves the chum of his father from ruin on the stock exchange and May Melvin was very sweet and womanly in the part of Mary Lawson, who is finally won by the Westerner. The balance of the company gave good support and the specialties were especially strong. They included Rutherford in songs and dances, and little Harry King, the child artist, proved very clever. The comedy act of the Lyness was the hit of the evening and was well worth the price of admission. This afternoon they presented the "Gambler's Wife," and to-night they will present "My Old Kentucky Home," and we are told that Mr. Harris and Miss Melvin will have two of the best characters of the week.
