Every woman should know

that in the Comforts and Economics it bestows

no other article ever made (at the same cost) equals a Bissell "Cyclo" Bearing Sweeper. The Bissell has displaced the dust pan and the corn broom, two primitive instruments of torture; has robbed sweeping of its terrors, has made sweeping a pleasure instead of a drudgery, has given housewives and servants time for other more agreeable tasks, by performing the work of sweeping in one quarter the time the corn broom requires and with 95 per cent less effort. The Sweeper confines all the dust, thus protecting the furniture, draperies, curtains, bric-a-brac, etc. If there exists today a positive menace to the health of the entire family, it is the clouds of dust raised by the corn broom, which permeate every nook and corner in the home. The very latest improved "Cyclo" Bearing Bissell sweeper can be bought at a low price and will last longer than fifty brooms. Why sacrifice health, comfort and convenience because of so slight an investment.

What's the Use of Not Feeling Well?

There's no use if the trouble is the common one—a clogged condition of the system, due to inactivity of the stomach, liver and bowels. Kendrick's Liver Pills overcome these conditions. These are improved liver pills, small in size, pleasant in their action and certain in results. They take away the dullness, weariness and general mental and physical lassitude that results when the system is loaded with impurities. Costs but 25c. For sale by us only.

LIKE FINDING MONEY

D. F. Davis, the popular druggist, is making an offer that is just like finding money, for he is selling a regular 50-cent bottle of Dr. Howard's celebrated specific for the cure of constipation and dyspepsia at half price. In addition to this large discount, he agrees to return the money to any purchaser whom the specific does not cure. It is quite unusual to be able to buy fifty-cent pieces for a quarter, but that is what this offer really means, for it is only recently, through the solicitation of Druggist D. F. Davis, that this medicine could be bought for less than fifty cents. He urged the proprietors to allow him to sell it at this reduced price for a little while, agreeing to sell a certain amount. The result has justified his good judgment, for the sale has been something remarkable. Anyone who suffers with headache, dyspepsia, dizziness, sour stomach, specks before the eyes, or any liver trouble, should take advantage of this opportunity, for Dr. Howard's specific will cure all these troubles. But if by any chance it should not, D. F. Davis will return your money.
