This \$25 Work Saving Hoosier Cabinet Free

See the Big Display and Ask About a Hoosier Cabinet.

Some housekeeper who visits our store next week, March 15th to 20th, will receive a \$25.00 work-saving Hoosier Kitchen Cabinet free of all charges, next Saturday afternoon. There are no strings to this offer. It isn't necessary to buy anything, or to obligate yourself in any way. Just call and see the big Hoosier display and ask for particulars.

Why You Should Have a Hoosier Cabinet

The Hoosier Special Cabinet is an investment, not in lumber, but in leisure. It clips off needless trips to pantry, cupboard and kitchen table—draws all your kitchen supplies to one spot—and stops useless walking.

Also, it puts an end to foot weariness and back strain, caused by standing hour after hour over your kitchen table. The aluminum work table top of the Hoosier Special extends out 16 inches—gives you plenty of knee and foot room to sit down as you would at your dining table.

It brings into your kitchen practical conveniences, the cream of the ideas of a quarter of a million practical housekeepers who have used Hoosier Cabinets in the last ten years.

Very few persons can tell by looking at a "cheapened" kitchen cabinet where the value is taken out. But this is sure. If you pay less than the Hoosier price you get less. Less convenience, fewer years of service, reduced value.

How to Get This Cabinet

By special arrangement with the manufacturers, we are in a position to place a large number of Hoosier Cabinets on the club plan at the regular spot cash price. This plan puts this wonderful kitchen convenience within the reach of everyone. The terms are surprisingly liberal. The special terms and prices will be withdrawn at the close of the display.

The plot is laid along new ideas. This bill should prove a drawing card for this cozy theatre.
