## YOUNG FOLKS STOCKINGS

## YOUNG FOLKS SHOES

Mending stockings is a nuisance. **Pony Stockings** for boys and girls are made to withstand the hardest wear that Tom, Dick and Harriet can give and you know how hard that is. We've been selling **Pony Stockings** for a good many years and the dissatisfied mothers could be counted on the fingers of one hand. Instead, lots of mothers have sent their friends to us to get the **Pony Stocking**. Triple knees, heels and toes, perfect dyes, superior yarn giving elasticity—fit and strength—all go to make just the stocking for boys and girls to wear without being a constant worry to the mother.

No. 50, very fine rib for fine wear; No. 40 is medium fine for girls; No. 30 is coarse and heavy for boys. **All 25c Per Pair.**

### Reliable Shoes for Boys and Girls

We are trying to do away with the trouble so far as its possible—you'll be surprised how well we have succeeded.

Only routine business was transacted at the meeting of the directors of the Orange County Telephone company, which was held at the City Hotel yesterday afternoon. The meeting was attended by all the directors except one, the president, E. H. Kennedy, presiding.

It was decided to have the central office of the company remain at present, at O. H. Kendrick's drug store, although in the future it is probable that a switchboard will be installed here.

Now that sleighing is practically over, at least so far as Main street is concerned, the problem of removing the accumulation of ice is confronting the city authorities, while the users of automobiles are earnestly hoping that active steps will be taken to remove the refuse.

There never has been so much ice heaped in the street as now, the accumulation being two feet thick in some places, and covered as it is by street refuse, it is not readily melted by the sun. It is possible that the street department will get to work and aid nature.
