# Danderine

**Grows Hair and we can PROVE IT!**  
The Great DANDERINE Never Fails to Produce the Desired Results.  
It cleanses and invigorates the hair glands and tissues of the scalp, resulting in a continuous and increasing growth of the hair.

Letters of praise are continually coming in from nearly all parts of the country stating that Danderine has renewed the growth of hair in cases that were considered absolutely hopeless.  
A lady from Brooklyn writes: "After a short trial my hair stopped falling, and I now have a lovely head of hair, very heavy and over one and a quarter years long."  
Danderine stimulates the scalp, makes it healthy and keeps it so. It is the greatest scalp invigorator known. It is a wholesome medicine for both the hair and scalp. Even a small bottle of it will put more genuine life in your hair than a gallon of any other hair tonic ever made. It shows results from the very start.  
Now on sale at every drug and toilet store in the land. 3 sizes 25c, 50c and \$1.00  
Free to show how quickly it will grow a large sample free of return mail. Thousands who send this free coupon to the Kew-Forest Danderine Co., Chicago, with their name and address and the name of the store where they buy Danderine, will receive a sample of the product.
