A UNIQUE RECORD

Not Another Like It in Our Broad Republic.

To give positive home testimony in every locality is of itself unanswerable proof of merit; but when we add to this the continued endorsement from people who testified years ago, no evidence can be stronger. A Barre citizen gratefully acknowledges the good received from Doan's Kidney Pills, and when time has tested the cure we find the same hearty endorsement, with added enthusiasm and continued praise. Cases of this kind are plentiful in the work of Doan's Kidney Pills, and such a record is unique in the annals of medicine.
