#### Resolutions.

Whereas, the great and supreme Ruler of the universe has, in His infinite wisdom, removed from among us our worthy and esteemed fellow worker, Charles McQueen; and whereas, the long and intimate relation held with him in this organization makes it eminently befitting that we record our appreciation of him; therefore,

Resolved, that the wisdom and ability which has exercised in the aid of our organization by service and contribution will be held in grateful remembrance.

Resolved, that the removal of such a life from among our midst leaves a vacancy and a shadow that will be deeply realized by all the members of this organization, and will prove a serious loss to his friends and family.

Resolved, that with deep sympathy with the bereaved relatives of the deceased we express our hope that even so great a loss to us all may be overruled organization, a copy printed in the Barre Daily Times, and a copy forwarded to the bereaved family.

# B. P. S. Paint--A "Painter's Paint"

B. P. S. Paint is a pure lead, zinc and linseed oil paint. It is made upon a formula which has stood the test of years. It is ground exceedingly fine—much finer than hand-mixed paint or ordinary prepared paints. B. P. S. Paint is a "Painter's Paint," and is endorsed by all practical workmen who have thoroughly investigated what it is made of, how it is made, and what it will do.

Painters find B. P. S. Paint economical because pure materials and fine grinding enable them to cover 25 per cent. more surface per gallon in 10 per cent. less time, and secure a more beautiful and durable job than with hand-mixed or other prepared paints.

B. P. S. Paint is a "Painter's Paint," because it means satisfied customers and increased business.
