

SUMMER UNDERWEAR

For Boys, Girls and Women.

You have, no doubt, had experience and know that it makes a difference with the quality of your underwear, where you buy it.

Our way of buying assures our customers there is nothing better, for the prices, to be had. At the beginning of the season we go thru numerous lines of underwear; from each we take what in our judgement is best. Quality is the first consideration.

Our stock is complete now—wouldn't it be best for you to see our line before buying. **Prices, 15c to \$1.00.**

The New Automobile Veil

It's a new one and the best yet—no pinning of it to tear the veil. Gathered with a button just over the forehead completely covers the hat. Divides in the center of the back and ties under the chin. Come in light, medium and dark blue, champaign, brown and white. **Price, \$1.00 each.**

Candy.

We are not in the 29c class when it comes to selling candy. One reason is that we think too much of our customers to offer them stuff of that class. Another is that our customers do not want it. We are selling Foss' Mixed Chocolates because they are the best we can get for 50c a lb. Not much different in price but a lot different in quality.
