

# 50c Back Combs and Barrettes 29c

## Saturday

We had an opportunity to close out from one of the best manufacturers of shell goods, one lot of back combs and a lot of barrettes. These have been costing us more to buy than we shall sell them for Saturday.

These Back Combs are the best style shown today, of medium size and set with enough brilliants to make them pretty, but not cheap.

Barrettes are in highest favor now of any shell goods. There is not a poor style among them and there are five different styles to select from.
