

DRESS GOODS SALE!

Over One Thousand Yards from
25 to 40 Per Cent. Discount.

We had an opportunity recently to buy from a foreign importer several pieces of Dress Goods—lots of which they only had a few pieces left.

They offered them to us at such liberal discounts we saw an opportunity to give our trade some genuine values.

These with over twenty pieces from our regular stock we have marked at big discounts from their regular prices for quick selling—such low prices you can well afford to buy and lay away for next Fall if you don't care to make them up for now. Here they are.

About four hundred and fifty yards, in 14 different patterns, that sold for 50c per yard.	About one hundred yards, in five patterns, that sold for 75c yard.	About three hundred yards, in 12 different patterns, that sold for \$1 per yard.
