The following officers for the ensuing six months were elected at the regular meeting of Logan Nordstjernan, No. 112, Vasa Order of Amerika Saturday evening. F. D. ordof, Ernest Selberg; ordof, Andrew Johnson, vice ordof, August Rosendal; practical sekr., Andrew Nilsson; vice practical sekr., Oscar Johnson; finn sekr., Frans O. Anderson; kasson, Waldus Berstrom; kaplan, Lydia Selberg; sermon master, Hilma Fagerstrom.

The feature for the Theaterium is a picture worthy of the highest mention. It is regarded as Victorian Sardon's masterpiece of dramatic construction. As a film it unquestionably ranks as a masterpiece from end to end. The piece affords chances for display of the most tragic emotions and as you sit and look at the development of the drama it looks for all the world as if the actual incidents were taking place before you, so convincing, so intense the action of this great drama. The picture is superbly mounted, costumes and scenery flawless. We would say just those who wish to see the highest quality of moving picture drama on the screen that "La Tosca" gives them a chance which should not be missed. Also two other first class pictures, one very good comedy, 5 cents admission.

"The Reckoning," film part, at the Comique to-day only. In this wonderful picture the public enjoys the privilege of witnessing one of the greatest pieces of acting ever presented on the screen. We have been fortunate in securing the services of Mr. Kravon, one of the finest dramatic actors on the French stage to-day. At the present time he is playing the part of Flambeau as leading man for Sarah Bernhardt in L'Angoulois. In this silent drama he plays the role of the injured husband, the central figure of the piece, displaying great intelligence in handling the part, enthralling the spectators and holding their interest to the very last. Another picture of power and interest, one that is remarkably good is the "Hunter Grief," also "Strenuous Sneezer," very good comedy. Admission 5 cents. Owing to the intense heat we will discontinue vaudeville until cool weather, also putting in a number of electric fans. Admission, 5 cents.

A WOMAN'S PROTEST.

About a Stench on Elmwood Avenue. She Wants a Change.

Mr. Editor: Will you please print the following letter as I do not know to whom I should address it; but let it be the board of health, the board of aldermen or any other board. I would like to ask them how they would like to be sitting outdoors around their homes and have a terrible stench from the dump wafted to them every few minutes, as the residents of Elmwood avenue and vicinity had to put up with last evening and have had to put up with for years.

How long would the residents on the French estate put up with such a nuisance and why impose on poorer people all the time? Let us have pure air.

Thanking you, Mr. Editor, and hoping this will come to the notice of someone who will remedy this wrong, I remain, Only a Woman.
