Fourth of July Shopping

will have to be attended to this week, as next week will be the Fourth. We are looking for all of this business that we can possibly get and have been through our stock making attractive prices so as to have a large sale. Some of our help will be on a vacation after July 4th, so come now and get the goods at close prices while we have help to wait on you.

Parasols	Regal Shoes	Regal Shoes
<p>Sell best just at the Fourth, and our prices usually remain firm until after that day. But this time we are to go one better by making our Parasol markdown this week, right now, as follows:</p> <p>Parasols, this season, all come in colors.</p> <p>All of our Colored Silk Parasols that were \$1.75 and \$1.98 now at \$1.49.</p> <p>All Parasols that were \$2.50 and \$2.75 now at \$1.98 each.</p> <p>All of our \$2.98 and \$3.50 Parasols now at \$2.49; in this lot are plain Colored Muesline Silk Parasols.</p> <p>Parasols that were \$3.75 for \$2.98.</p> <p>These are all of them new and the very best make with latest styled handles.</p>	<p>This is the first time that we have ever known of Regal Shoes being sold at less than their marked price, and we are allowed to do this only by special arrangements with headquarters. In other words, they are to organize this same sale in their private stores and advance us the same privilege.</p> <p>Customers that could not afford the price of Regal Shoes can now as they are priced.</p> <p>Beginning Friday morning we shall offer all of our \$3.50 Regal Shoes in both high and oxfords in patent, King calf, vicci kid, and smooth-finish, at only \$2.98 per pair.</p> <p>All of our \$4.00 grades now at \$3.15 per pair.</p>	<p>This sale of Regal Shoes at these prices does not mean that we are going to close the line. It means that before our fall stock arrives we must have all summer shoes out of our stock and with this price concession it will very quickly do it.</p> <p>This gives the young lady a chance to try a Regal Shoe at the price of ordinary makes. It will advertise this better Shoe, give the trade a chance to see what it is like, and we know the rest and that is that we will have you for a Regal customer.</p> <p>When it is known that we are selling the genuine Regal Shoe at \$2.98, ladies will get busy. This price applies to only sizes that we have in stock, not special orders.</p> <p>These prices are only for a few days just to get our stock ready for fall shoes.</p>

See our markdown on summer goods that are now on our Bargain Tables. Stick to Black Cat Hose and you will save money.

EAT MORE FISH ---LESS MEAT

Especially through the hot weather is above counsel wise. Fish is cooling—meat is heating. Good fresh fish is very nourishing and more easily digested than meat.

Fish is economical—an important point to consider. Try eating more fish this week and next. You'll thank us for suggesting it.

We have coming fresh every day—out of native waters, packed in ice and ready for use in your kitchen in scarcely 36 hours, and some of it sooner—Sword Fish, Halibut, Mackerel, Salmon, Blue Fish, Haddock, Cod, Flounders, Pike, Pickerel, Lake Trout, etc.
