

OLD FORT "TI" IS THE SCENE

Of Today's Champlain Tercentenary Celebration

PRESIDENT TAFT THERE

To-morrow Taft Goes to Plattsburg and on the Following Day, Thursday, He Will Cross the Lake to Burlington.

Port Ticonderoga, N. Y., July 6.—With President Taft as the central figure in the Champlain Tercentenary celebration here to-day from Port Henry, others here besides the president were Vice-president Sherman, Governor Hughes and Governor Proctor of Vermont, Ambassadors Bryce and Jassard and members of the legislatures of Vermont and New York. One hundred extra deputies are keeping order. The Franco-Americans were in charge of the program to-day. The program opened with high mass at St. Peter's church. A procession was held this afternoon, and in the line were flags emblematic of the history of Lake Champlain and of this place. The big day of the New York celebration of the tercentenary will be to-morrow at Plattsburg. On Thursday the scene is transferred to the Vermont side of the lake, the big celebration being held at Burlington.

YESTERDAY AT CROWN POINT

With Setting of Crumbling Ruins of Forts Amherst and Frederick.

Port Henry, N. Y., July 6.—With the crumbling ruins of Forts Amherst and Frederick forming a historic setting, the first of a series of events celebrating the 300th anniversary of the discovery of Lake Champlain by the famous French explorer, Brigadier and colonel, Samuel de Champlain, occurred yesterday at Crown Point, where Champlain, with his Canadian-Indian allies, of the Huron and Algonquin tribes, first met the Iroquois in battle.

The program includes a sham battle between companies of the 10th regiment which has been in camp for a week at Crown Point, an Indian pageant and literary exercises late in the day. The speakers were Gov. Hughes, ex-Mayor Seth Low, of New York, and Judge Alton Parker, C. Barnes of Chicago.

BURLINGTON'S CELEBRATION

Big Crowd on Hand to Witness the Varied Program.

Burlington, July 6.—Yesterday's Champlain celebration in this city was started with a sunrise service at the Vermont State House, followed by a parade of floats, decorated automobiles, in which the children from the Providence orphan asylum and the home for destitute children were given a ride through the flag draped streets. Later the big military and civic parade, the principal feature of yesterday's festivities, was held. The military was composed of the 1st squadron of the 11th cavalry stationed at Fort Ethan Allen, and the 1st infantry regiment of the Vermont National Guard. Fraternal and patriotic organizations were also in line and there were numerous decorated floats.

During the forenoon special tercentenary exercises were held in City hall park. Congressman D. J. Foster of Burlington presided and the speakers included Gov. George H. Parry, Rt. Rev. A. C. Hall, Protestant Episcopal bishop of Vermont, and Rev. G. G. Atkins of Detroit.

The city was crowded all day, but there was no disorder and not a single arrest.

BIG LUMP OF COAL HIT TAFT'S TRAIN

Missile Struck Car Next to That Occupied by the President—Police are Investigating the Case.

New York, July 6.—A huge lump of coal was hurled through the window of the car which was next to President Taft's car in the train which left Norwich, Conn., last night. The lump of coal was large enough to kill had it struck anyone. The police are seeking for traces of the throwers. The Taft party left Norwich late last night. The president and his party left for Port Ticonderoga this morning, the special car Mayflower being attached to the regular train.

WRESTLED TO A DRAW

Eugene Tremblay, Titleholder, on the Offensive.

Elmira, N. Y., July 6.—Eugene Tremblay of Montreal and Phil Gould of Corning, wrestled two hours and five hours to a draw here yesterday for the lightweight championship of America. Tremblay, the title holder, was on the offensive during the entire time.

NED COLE PROOVES WINNER

Littleton, N. H. Horsemen Have an Interesting Fourth Program.

Littleton, N. H., July 6.—Ned Cole landed the 2:18 mixed class at the trotting park here yesterday. Islander being the chief contender. Belle Brine and Preeps got other races, the latter leading in two class races.

FUND IS GROWING

Montpelier Seminary Has Received \$7,200 in Two Weeks.

KETCHELL WON FIGHT BUT PAPKE WAS GAME

Middleweight Champion Awarded Decision at Frisco After Twenty Rounds of Hard Fighting.

San Francisco, July 6.—Stanley Ketchel, the present middleweight champion, was given the decision yesterday afternoon at the end of 20 rounds of hard milling over Billy Papke, the Illinois "Thunderbolt." Referee Roche gave the decision to Ketchel on his aggressive work and the fact that he landed oftener and cleaner. It was reported that Ketchel broke his right hand in the sixth round. The decision not received favorably by many of the crowd.

Referee Roche, after the contest, made the following statement: "Ketchel was the aggressor at all times. Furthermore, he landed the cleaner and harder punches and scored the only knock down in the 10th round although nearly everybody seems to think that Papke slipped to the floor. There is absolutely no question but Ketchel earned a clean cut decision."

As to the fight itself, the "Assassin," as Ketchel has been christened by ring followers, bade fair literally to live up to this name. He forced the fighting from the tap of the initial gong and with the exceptions of the third enjoyed a clear lead in the first half of the program to-day. The program opened with high mass at St. Peter's church. A procession was held this afternoon, and in the line were flags emblematic of the history of Lake Champlain and of this place. The big day of the New York celebration of the tercentenary will be to-morrow at Plattsburg. On Thursday the scene is transferred to the Vermont side of the lake, the big celebration being held at Burlington.

When seen in his dressing room Ketchel gave out this statement: "I was round and later on, in the eighth round, I believe, I dislocated my thumb on my left. But for these mishaps I would have made short work of Papke. I will be only too glad to give Papke another chance."

THE FOURTH DEGREE CONFERRED BY K. OF C.

First Time in Vermont That the Degree Has Been Given—Event Took Place in Burlington.

Burlington, July 6.—For the first time in Vermont the Knights of Columbus conferred the fourth degree yesterday upon a large class of candidates at the U. V. M. gymnasium. This is the highest and most elaborate degree conferred by the order and yesterday every detail of the degree work was executed in full and most impressive form upon 130 candidates.

The degree team was made up as follows: Master, Henry Conlin of Winooski; chaplain, the Rev. D. J. O'Sullivan of St. Albans; D. F. the Rev. P. J. Barrett of Burlington; R. T. W. Maloney of Rutland; E. C. the Rev. D. E. Coffin of Brattle; K. E. B. Corley of Burlington and J. S. Healy of Montpelier; N. Thomas Magner of Burlington; marshal P. F. Roddy of Burlington; organist, the Rev. J. J. Boyle of Brandon. The choral numbers on the program were most impressively rendered under the direction of the Rev. W. J. O'Sullivan of Montpelier.

After the completion of the degree work the knights formed for the parade on University place with 100 men in line headed by the Eagles' band of the city. The column moved down Main street to Church, to Pearl, to St. Paul and thence to St. Mary's hall, where the ladies of the St. Ann society had an elaborate and beautiful banquet in waiting. During the banquet Barton's full orchestra rendered an entrancing musical program.

Yesterday's assemblage of the Knights of Columbus was an epoch-making event in the history of this order in Vermont. The highest degree—the fourth—was conferred for the first time in Vermont and the large attendance, completeness of ceremonial and enthusiasm shown by the members present will do much to enlarge the scope of influence wished by this organization.

TWO BOYS DROWNED WHILE FISHING

One Had Caught a Black Bass and Was Still Holding to the Rod, Other Fell Beneath Logs.

Newport, July 6.—To catch a pound and a half bass and be dragged into the water and drowned was the fate of nine-year-old Fredrick Goehen whose body was found floating in Lake Memphremagog yesterday. The boy disappeared Thursday morning and up to now was a mystery. Searching parties dragged the lake all yesterday and day but without effect. When recovered from the water a fish pole was tightly grasped in the lad's hands and caught by the hook was a bass. A spile was a favorite fishing place of young Goehen and it is evident that the gamey fish caused his captor to lose his balance and fall into the water where he was drowned. The boy is survived by a widowed mother and one sister.

Another youthful fisherman lost his life yesterday morning from his habit of running on the logs near his home to gain a better position. This boy was Ora Brails, eight years of age, who fell between the logs and was drowned in four feet of water. His playmates gave the alarm and the mother jumped in after the boy as he was rising the second time. She could not, however get him out. Eugene Bryant recovered the body but an hour's energetic work by a doctor failed to revive him. Three brothers and his parents survive. Mr. Brails is visiting in Canada.

AERONAUT FELL 500 FT. TO DEATH

James Corcoran of Lowell, Mass., Was Killed at Portland, Me.

Portland, Me., July 6.—Mistaking the promissory firing of revolvers by the crowd below as a signal for the climax of his aerial act, James Corcoran, an aeronaut, 28 years old, of Lowell, Mass., cut loose with his parachute when but a few hundred feet from the earth at the Fourth of July celebration here late yesterday and was dashed to the ground, meeting almost instant death at the feet of 5,000 horrified spectators.

HAND TORN BY POWDER

Injury to Barre Man Who Was Celebrating

OUR INDEPENDENCE DAY

Mrs. Carl Knapp of Montpelier Burned When Young Boy Threw a Fire-cracker into an Electric Car Yesterday.

Risiero Ribolini is at the City hospital with his left hand badly mangled as the result of handling a lighted cannon cracker while celebrating early yesterday morning. Ribolini, in company with several fellow celebrators, was enjoying a ride up North Main street in a wagon, the motive power for which was furnished by several men.

As the outfit passed the entrance to Pearl street, someone in the crowd on the sidewalk threw a lighted giant cracker into the wagon. Ribolini reached over and took it in his hand, starting to throw it from the wagon. No sooner had he grasped it firmly than the cracker exploded and he was almost knocked from the wagon by the shock.

Yelling with pain, he jumped from the wagon and started away, but his companions restrained him. Fire Chief Gladding, who was near when the accident happened, seized the man and succeeded in stopping the flow of blood somewhat by improvising a tourniquet from his handkerchief. The injured man was taken to the office of Dr. J. W. Jackson, where the doctor, upon examination, found that the man was seriously injured and he was taken to the City hospital.

Doctors L. B. Leonard and E. G. Ghidella were called and the patient etherized. Upon making a thorough examination, the doctors found that although his thumb was nearly severed from his hand, the arteries were not severed and the wounds were instant. Several tendons were severed. The wounded hand was dressed and the recovery of the man is expected unless tetanus develops.

Ribolini is a granite cutter employed by O. Grana and has been in Barre but a short time, coming here from Italy. It is said that he was unacquainted with the destructive power of fire crackers and although warned when he started to pick up the one that caused the injury, he paid no attention.

This was the only accident of serious enough nature to require treatment of the victim at the hospital. There was about the usual bombardment of noise, the celebrators becoming impatient along toward midnight Sunday night and beginning the installation of a "big boom" in the city of Barre across Batchelder street to said land now owned by John E. and Donald Smith. The Barre railroad shall at all times keep said track within the limits of said street, suitably planked for public travel along said street.

ADDRESS ON BROTHERHOOD. By Rev. F. A. Poole Before the Knights of Pythias.

About 60 members of the Victoria Lodge, Knights of Pythias, were present at the Congregational church Sunday evening in observance of their annual memorial in honor of the members of the order who have died. Rev. F. A. Poole, the pastor of the church gave a brief but interesting address, choosing for his subject, "The Sphere of Brotherhood," and taking his text from Matthew, fifth chapter, verses 46 and 47. "For if ye love them which love you, what reward have you? Do not even the publicans so? And if ye salute brethren only, what do ye more than others? Do not even the publicans so?"

Mr. Poole said that these words were spoken in criticism by the Master to the Disciples, who loved their own people and that was all. The speaker added that he used the words, not in condemnation but in commendation. You rejoice with your brethren in their joy and weep with them in their troubles and make this memorial in memory of those who are departed. Membership in fraternal orders results in genuine fraternal spirit, the spirit of Christ.

Men behold and the entire world looking on knows fraternal spirit is needed. When the fraternal spirit shall be the spirit of the country, then the ills of the country will disappear. You should go on with the splendid work until the spirit of brotherly love is as wide as the race men.

A JOINT PICNIC

By Washington County Hibernians Was Held in the Rain.

The members of the Ancient Order of Hibernians of Washington County and the members of the ladies auxiliary with their families to the number of 200 held their fifth annual picnic at Caledonia park Saturday afternoon. Owing to the rain many of the sports had to be called off but just the same the party proceeded to have a thoroughly enjoyable time and the afternoon was quickly passed. Dancing in the pavilion was the order of the afternoon and refreshments were served.

The sports which were pulled off between showers resulted as follows: Ladies race, Mrs. J. C. Monaghan first, Mrs. H. Carroll second, Mrs. J. Dunne third.

The getting contest was won by J. E. Murphy of Barre and James Kyle of Montpelier.

The committees in charge of the picnic was composed of P. E. McNulty, J. B. Murphy and W. P. Binson, Barre; E. F. McKeown, James Ryle, Thomas Crawley, Montpelier; J. B. Fitzpatrick, Granville.

BARRE COMPANY INCORPORATED.

Martinson Estate Company Is Capitalized at \$50,000.

The Martinson Estate Granite company has filed articles of association with the Vermont secretary of state to quarry and buy granite. The capital stock is \$50,000, and the incorporators are Ida M. Martinson, widow of the late John Martinson, O. E. Anderson, H. William Scott, Charles M. Scott and Edith M. Scott. It is the purpose of the company to erect a large granite plant in the south end of the city. The public service commission has given permission for a grade crossing to the proposed plant.

The order giving permission was issued yesterday. The report of the hearing and order is as follows: "After due notice thereof, a hearing was had on this petition at Barre on June 9, 1909, with the appearances noted at the head hereof.

"From the evidence, including our careful examination of the locality, we find that the lot that will be served by the proposed spur line on the easterly side of Batchelder street has a frontage thereon of about 241 feet, and a depth of about 200 feet. This lot is one of the few unappropriated lots in Barre that is in every way suitable for the site of a granite shed. For that purpose it is worth about \$1,600, and for any other purpose it is probably worth less than \$200.

"Of course, it is worthless as a site for a granite shed, unless there is direct railroad communication therewith. If the desired spur track can be constructed, arrangements have been made whereby a building 170 feet long and 60 feet wide will be constructed thereon, and a granite manufacturing plant installed that will employ about fifty men. The lot is near the railroad, and to render it available for the purpose indicated, it is necessary only to extend across Batchelder street the sidetrack that already serves a large number of plants. Batchelder street proper runs from Ayers street to the line of Barre Town—a short distance in the rear of the lot. It is proposed to get the required railroad communication; and therein the situation differs essentially from the conditions revealed by the hearing in a similar petition brought by the Central Vermont railway in behalf of H. J. Bertoli, reported in this paper. The proposed railroad crossing at grade, we think, that the circumstances of this case are such that it would be unjust to refuse the petition, and that public good requires that it be granted.

"For the purpose indicated in the foregoing report, and for no other purpose, permission is hereby granted the Barre Railroad company to extend at grade its proposed sidetrack on 'Batchelder road' in the city of Barre across Batchelder street to said land now owned by John E. and Donald Smith. The Barre railroad shall at all times keep said track within the limits of said street, suitably planked for public travel along said street."

HORSE DOWN IN RACE SPILL

Exciting Feature of Races at Granite City Park

F. A. SLAYTON WAS THROWN

First Day's Program Was Witnessed by a Large Crowd—The 2:18, the Big Event, Went Five Heats Amid Much Excitement.

Very nearly 2,500 people enjoyed some good races at the Granite City trotting park yesterday afternoon at this season's second meet of the Gentlemen's Driving club of Barre. There were 2,100 admission tickets sold. The crowd filled the grand stand to its capacity and the remainder were scattered about the grounds in the most advantageous places to see the races.

Three races were pulled off in good time despite the stiff breeze which blew directly in the faces of the steeds as they came down the home stretch and which could not help but impede them. Chester Pike was welcomed by the crowd in his usual position as starter, and the judges and timers were L. C. Hammett of East Montpelier, G. E. Moody of Waterbury, and S. D. Allen of Barre.

But one accident occurred to mar the sport and that fortunately did not result in any serious damage being done. In the last heat of the 2:18 class race, which was the feature race of the afternoon, F. A. Slayton, driving Ben Hur, ran into Charles Gordon, who was driving The Outlaw. These two horses were in the rear and were making the first turn on the back stretch the second time around, when The Outlaw broke and Ben Hur, who was close behind next to the pole went onto the wheel of Gordon's sulky, crushing it down.

Ben Hur fell to the ground as quickly as if he had been shot, and Mr. Slayton was thrown to the track clear beyond his horse's head. Mr. Gordon was also thrown from his sulky when the wheel went down, but he managed to keep the reins and hold his horse. Ben Hur lay perfectly still until he was helped up and it was found that not even a strap was broken. Mr. Slayton then drove around to the wire and Mr. Gordon followed, holding up one side of his sulky.

This race was fought out from the start of the first heat and went five heats when it had to be stopped under the rules made by the club that no race should go more than five heats. Ben Hur took the first two heats by close margins, Oradell being a close second in the first heat and Allinetta a close third, while The Outlaw owing to a bad break at the start off was far behind.

In the second heat Allinetta was but half a neck behind Ben Hur under the wire and The Outlaw was tight on. Oradell apparently took things easy this time and trailed in but little ahead of the flag. Possibly there was an object in Oradell's lay-up in this heat, for in the next he cleaned out the home on the home stretch and scored first. Ben Hur was second on the last turn, but broke and came in fourth. This was the fastest heat of the race, 2:19 1/2.

In the fourth go Sunderland pit Allinetta under the wire first, beating out Oradell by half a length. In the fifth heat Ben Hur and The Outlaw showed that they had had enough racing before the accident happened, and Allinetta and Oradell were leading them easily, Allinetta taking the heat. This ended the race and the first money was awarded to Allinetta. The Outlaw and Ben Hur were placed in the third and fourth places, respectively, on account of the unavoidable accident and the second money went to Ben Hur, third to Oradell, and fourth to The Outlaw.

First money in the other two races, the 2:27 and 3:00 classes, was taken in straight heats, Lady of Websterville winning the 2:27 and Conway, owned by F. B. Williams of Enfield, N. H., the 3:00 class.

After the 3:00 race, Conway was put up for sale at auction and was bid off for \$305 by Charles Gordon, who was bidding for George Stratton of this city. Conway is a six-year-old, stands 16 and 1/2 hands high, and weighs 120 lbs. He is a big, racy bay and took the race easily, stepping the last heat in 2:29 1/2.

A base ball game was played on the diamond between the Barre Independents and East Barre, the local team winning by a score of 11 to 3. The batteries were Olsen and Fowle for the Independents, Roark and Taplin for East Barre. During the waits between the heats music was rendered by the Barre Citizens' band.

Saturday's races had to be set ahead because of the unfavorable weather, and this afternoon because the track was not right to-day's big program was put over until to-morrow afternoon. Three good races are on the card, including the free-for-all with some fast horses entered. The summary of yesterday's races is as follows:

2:18 Class, Purse \$175. Allinetta, hm (E. A. Sunderland), 3 2 2 1 1. Ben Hur, cg (A. W. Winch), 1 4 4 4. Oradell, hm (L. M. Seaver, Waterbury), 2 4 1 2 2. The Outlaw, bg (Page Bros., Barre), 4 3 3 3 3. Time, 2:20 1/4, 2:19 1/2, 2:19 1/2, 2:20 1/4, 2:20 1/4.

2:27 Class, Purse \$150. Lady of Websterville, hm (A. Barre), 1 1 1. Foy's Jane, cm (J. E. Marston, Pittsfield, N. H.), 2 3 2. Gordon's Blaney, cm (P. L. Brown & Son, Barre), 4 2 4. Wilkes Coloken, bg (F. A. Slayton, Barre), 3 4 3. Time, 2:26 1/2, 2:27 1/2, 2:30.

3:00 Class, Purse \$100. Conway, bg (F. B. Williams, Enfield, N. H.), 1 1 1.

BAIL CALLED IN CITY COURT

When Charles Bizzozero Failed to Show Up

FOR HIS TRIAL TO-DAY

He Was Charged with Non-support and Had Been Brought Back from Milford, N. H., by Deputy Sheriff Slayton.

Charles Bizzozero, who was brought to this city from Milford, N. H., Saturday by Deputy Sheriff H. J. Slayton on a warrant issued by State's Attorney Benjamin Gates, charging him with non-support of his family, and bailed out Saturday night, failed to appear in court this morning for trial and the officer is now wondering whether he made his trip all for nothing.

Bizzozero was arraigned in city court Saturday evening and pleaded not guilty and the case was set for hearing this morning. J. Ward Carver, who was acting for the state's attorney, asked the court to place the respondent under \$500 bail; but the court finally set the amount at \$200, and this was furnished by A. G. Conolly. When the respondent did not appear this morning for the hearing, State's Attorney Gates asked that bail be forfeited and that a bench warrant be issued for Bizzozero's arrest. Mr. Gates also stated that possibly the respondent had been mistaken in the day set for the hearing, and if this should prove to be the reason why he did not appear, he would not insist that the bail be forfeited.

A year ago last May Bizzozero left town, leaving his wife and three small children, who have since been supported by the city. City Attorney Carver had him arrested once and he made arrangements to pay a certain amount every week for his wife's support, but after a short time these payments stopped and the case was then turned over to the state's attorney. Bizzozero is a granite carver by trade and is said to earn good wages.

ON VARIOUS ACCUSATIONS

Respondents Were Taken Before Judge Scott in City Court.

Joseph Rogers was arrested Sunday evening by Officer Hamel on a warrant charging him with breach of the peace for making a disturbance at his home. He was arraigned in court yesterday morning and pleaded guilty. He was fined \$5 with costs of \$6.99 which he paid.

Fred Dunton was arraigned in court Saturday evening on the alleged charge of non-support of his family. He pleaded not guilty and the case was set for a hearing this morning. In the meantime Dunton made arrangements to the grand juror to hereafter support his family and this morning the case was not over for two weeks pending his good behavior.

The case of Mrs. Carlotta Casabella, charged with keeping, was disposed of Saturday when she waived examination in the keeping case and was bound over to county court. The liquor which was seized at her home was condemned by the court and ordered destroyed. She also took an appeal in this case. Bail in the two cases amounted to \$550 which was furnished by her attorney, R. A. Hoar and Stefano Rizzi.

TWO MARRIAGES

One at St. Monica's Church and Another at Universalist Parsonage.

Miss Josephine Provencher, daughter of Mr. and Mrs. Louis Provencher of Elm street, and Howard Brown of Essex Junction were united in marriage at 7:15 o'clock yesterday morning at St. Monica's church by the Rev. P. M. McKenna. They were unattended. Mr. and Mrs. Brown left last night for a visit in Burlington, after which they are to Essex to reside where the groom is employed.

Miss Sarah Carlotta Munro, daughter of Mr. and Mrs. Donald Munro of Elm street, and Francis Lee Williams were united in marriage at the Universalist parsonage Saturday evening by the Rev. Edward C. Downey. The couple were attended by the brother and sister of the bride. Mr. and Mrs. Williams will reside in this city where the groom is employed as a lumper.

WHITCOMB—LAMBERTON

Marriage of Plainfield Woman to Montpelier Man on Sunday.

Miss Alice L. Lamberton of Plainfield and Meiton L. Whitcomb of Montpelier were married Sunday night at Montpelier by the Rev. J. Edward Wright. Mr. and Mrs. Whitcomb have gone to New Hampshire on a wedding trip.

EXODUS TO BURLINGTON

Has Stated and Will Continue on Thursday of This Week.

One hundred and eighty tickets have been sold at the local Central Vermont station for Burlington since the excursion tickets went on sale Saturday. The C. V. will run two special trains Thursday morning over the Barre branch to attend the big day at Burlington. The trains will be made up of 12 cars each and will leave at 7:30 in the morning. The second special will start from Montpelier so that Barre will have a train of 12 cars.

Among arrivals at the City hotel last evening and to-day were J. E. Conolly, S. Shiff, J. L. Lewis, F. W. Fowle, J. E. Burk, E. B. Mack, M. J. Sincier, H. J. Mackey, Boston; Mr. and Mrs. J. W. Bullock, Northfield; E. J. Young, Milford; J. C. Baker, Springfield, Mass.

RACING TO-MORROW

Track Not Considered Safe For Events This Afternoon.

Owing to the unsafe condition of the track, the races which were scheduled for to-day at the Granite City park, have been postponed until to-morrow afternoon at 1:30.

CLAN GORDON QUITERS BRING BACK TROPHY

Recaptured the Montee Cup from Clan Fraser of Pawtucket Saturday Afternoon—Team Was Well Entertained.

The members of the Clan Gordon quitting team returned last night from Pawtucket, R. I., where they succeeded in defeating Clan Fraser of that city for the New England championship trophy, which is a handsome silver cup presented by Major Monroe of the Caledonia club of Boston.

The match was played Saturday afternoon and the result follows: Clan Gordon No. 13, Barre. William Craig and J. W. Gauld, 25. C. Keith and W. Main, 25. A. Rennie and S. Diack, 15. J. Donald and William Fowler, 25. Total, 80.

Clan Fraser No. 11, Pawtucket. A. Jeffries and J. Jeffries, 14. G. Ferguson and R. Walker, 25. D. Russell and J. Watson, 14. J. Tanah and R. Dykes, 14. Total, 70.
