## What Are We Doing?

What are we doing these Summer days? Let us tell you. We are just as busy as we can be with all of the help that we have and it is a fact that we could not serve all that came to our counters Saturday evening, and this is the reason for our being busy. We are receiving new Fall goods and at the same time selling goods to be worn now at cost and some at a great deal less than cost. Let us see what we are selling today.

### FIRST

We have just received several styles of advanced styles in tailored Fall Suits that are very attractive.

Also one large shipment of Fall Waists in silk, lace and wool and these are at less prices than we have ever before owned them. These are all in our garment department.

Just a word to careful buyers: You can find in our Summer assortment Waists equally as good at reduction prices, that is, if you get at your waist shopping at once.

You will find some very low prices now on White Muslin Waists and these are worn the year round. Can get a Laundered Collar Waist, tailored style, at 98c and an All Pure Linen at only \$1.98

You cannot afford to pass Regal Shoes, not when you can buy a pair for \$2.69. A few days later will be just a few days too late.

### SECOND

If you have a suit want, either cotton or wool, don't put it off any longer as your chance of a good bargain later will be small. We are selling Summer Suits in wool at half price and these are all of them this Summer's Suits. All new styles.

All Cotton Summer Suits are in this sale, and what we have left of our Ladies' Coats take a clearance cut price.

There is a good assortment of Ladies' Tailored Wool Skirts in this mark-down sale.

We are a little ahead of the season, but are showing several styles in advance styles in Ladies' Fall and Winter Tailored Suits.

We are preparing early for a large Fall business and saving by buying now. This all means for you better values (if you trade with us.)

### THIRD

Everything in this column is a money saver and a few days more will finish these prices.

60 dozen Misses' and Boys' Fas Black Hose, with double heels and toes and double knees, made to sell a leader at 15c each. These came to us 2 months late, so now we are to put them in our window Tuesday morning and sell them at 11c a pair.

Straw Matting Suit Cases advertised last week will be on sale this week.

Our sale of Muslin Underwear will be shown all of this week.

To see our sale of Wash Good on our tables is to you a saving purchase.

This is the way we make ourselves busy these Summer days.
