

PATENT JAPANESE CLUB BAGS

"Light as a Feather,
Strong as Good Leather."

THOUSANDS are discarding heavy leather baggage, which seems to weigh almost as much before packing as it does afterwards, and carrying instead the wonderful Japanese Club Bag for shopping or light traveling. It weighs less than Two Pounds, yet, it is strong, durable and can be washed.

The Patent Japanese Club Bag is being used from Maine to California and nothing but the highest praises are spoken for it.

There is no better line of Ladies' Club Bags, Shopping Bags, School Bags, Music Rolls, Portfolios, etc., to be found this side of Boston than here:
