The Barre city directory for 1909 is out and is being distributed to subscribers to-day. The new volume contains 7,208 names, an increase of 139 over the number of names in the 1908 directory. This would indicate a population of about 14,000 for Barre at the present time. The new directory is well printed and gives a lot of local information as well as the names and addresses of firms and individuals. The book is published by E. P. Waite & Co. and is for sale at the Barre Book Store.

"The Sacrifice," at the Theatre, is an exceptionally strong and well acted drama. The picture is strong because it is simple and easy to follow. Scenery is remarkable. "Pompey's Dream," his experiences in heaven and hell are very vividly shown and the terrors which beset him in the latter place are so strongly impressed that he is a confirmed good fellow ever after.

An American Biograph picture, "Tragic Love," to-day at the Bijou theatre. It is the story of a bright young fellow who falls in love with another man's wife and gets himself into all sorts of trouble thereby. The situations are exceptionally well handled by good players, and the film is one of the clearest seen here of late. The other two pictures to-day are both comic and will interest everybody.

The big clock in S. J. Segel and company's window stopped last Saturday at 8 o'clock, 50 minutes and 57 seconds. New rebate guess coupons are given on our clock contact to all customers with purchases of 25c to \$20.

Dreamland offers "Much Ado About Nothing," with apologies to William Shakespeare, for this clever little skit is totally different from the drama of that name. It will amuse the children especially, and older people will find many a cheery smile in it. "The Mustard Plaster" is another of the funny variety, and depicts a man suffering a severe cold, who is advised by a friend to try a couple of mustard plasters. The results are lively, to say the least. So nervous does he get from the effects of the hot plasters that he climbs into a refrigerator to cool off.

"The Leopard Queen," at the Comique is a character production of the famous Selig company in which the wonders of natural history and the tender passion are adroitly mixed with game hunting, foreign adventure and stage life of interesting kind. A British ship is founded off the coast of Africa, a girl and her father are among the castaways. After a time father dies, the girl becomes a queen of the animal kingdom, controlling and dominating amongst other things some beautiful leopards. In one particular scene we see her in Paris in the hippodrome, showing perfect control over a bevy of leopards, whom she fondles and plays with as though they were merely kittens.

When the Truth Is Not Always the Truth

It is true that foreign hosiery on account of the new tariff will be either higher in price or poorer in quality. In that way you are told that you are to pay more for your hosiery. This is true and at the same time you do not have to buy foreign hosiery, not so long as the **Black Cat Hosiery** is the best hosiery on the market for **25c**, and is American made.

Black Cat Hosiery	Black Cat Hose	Too Late
Black Cat Hosiery will always give you your money's worth no matter where the price of foreign hosiery goes. We keep all summer styles in all sizes right through the winter, so that you can get just what you always want and that at around 25c. We now have all of our Black Cat Winter Hosiery in stock where it is handy to get at. Black Cat Leather Stockings with linen heels, toes and insteps, are the kind that boys do not have to take scoldings for, 25c per pair. They are different.	Misses' Black Cat Hose are very fine and being made of selected and tested Sea Island cotton, with a combination of linen splicing, they wear. Price 25c. Ladies' Black Cat Hose have the same recommendations for wear and for the same reasons that they are linen spliced; come in several weights and styles to sell for 25c. (Ladies' Merigo Hose same price.)	After the 28th of this month it will be too late to get bargains on summer goods, the kind that we have for the last week spoken of so emphatically. Our counters and tables must be cleaned of these goods then and replaced by fall goods of all kinds. You will find in our Garment Department Ladies' Suits that are new (not last season's styles) now at half price. This means a good suit at but a little money. There is so little difference between summer and fall styles in suits and coats that any saving seems to the trade more like finding money and when it is half back it amounts to something worth taking advantage of.
Regal Shoes in Oxfords and Two-eye Low Shoes in russet, plain calf and patent leathers in \$3.50 and \$4.00 grades, now to close at only \$2.69 . August finishes this sale and this sale price.

The people of this vicinity enjoyed an unusual treat in the entertainment given by Miss Rowe of Missouli and Mr. Potter of Boston last Friday evening. Both of these artists are recent graduates of the Emerson College of Oratory. The entertainment was unique as two of the numbers were scenes from Canan, Doyle and Dickens. In the first sketch, "Confession," Miss Rowe was charming. The other sketch "The Courtship," was given in costume, and afforded an excellent opportunity for both to display their skill in character work. The quality of the work during the whole entertainment was of a very high order. Mr. Potter has been boarding in the village all summer and his many friends here were delighted to hear him once more.

Our Raincoats are made by a maker with a reputation for making the best of Coats and we guarantee them in every way.
