The Comique is offering an immensely up-to-date program for to-day's amusement. "Mrs. Jones' Lover," the Jones comedies have been always so pleasing that this issue will be received with lively interest. It is a laughing subject throughout, a story with a genuinely funny plot. "Far from the Madding Crowd," is another genuine comedy subject which will provoke a hearty laugh, as it contains many humorous situations. It is very well acted. A picture rightly named, "A Dash to Death," is the feature at Hale's pavilion today and tomorrow. In this picture we see the seemingly impossible made to order with flawless skill; one scene in particular holds us breathless, spellbound, and a feeling of terror creeps over us as we see a powerful automobile crash through a frail fence and plunge into flames turning over and over in its fall till it strikes a projecting rock. As the car strikes this object there is an explosion of the gasoline tank which wraps the car in flames and it goes on down to the bottom of the cliff where it lies a mass of twisted iron and splintered wood, a monument to the unhappy wretch who lies dead beneath the wreckage. There will be a special communication of Granite Lodge No. 35, F. & A. M., Friday evening at 7:30 o'clock. Work, M. M. degree. Per order W. M. A regular meeting of Division No. 1, A. O. U. Advance Sale of Dress Goods and Tailors Suitings.

How do we know that we are right on these Cloths for dresses and tailored suits. Let us visit a little. We bought these Cloths after we had bought our Tailored Suits and Dresses. In that way we found out what best tailors were using, for what they use is positively the leading style. Just a minute. These cloths were bought of a large importing house that is retiring from business, hence the following price reductions are best styled up-to-date Dress Goods and Suitings as follows.

DRESS GOODS.	DRESS GOODS.	DRESS GOODS.
School time is nearly here. These cloths at these prices will seem cheap to careful buyers of wool dress goods.	Out purchase at 20 per cent. less than regular jobbing prices means a good saving to you, and the best styled Dress Goods on the market this season.	Forty-one inch very fine wool Directoire or satin-finished Vauclain in colors of millberry, navy, dark olive and taupe. This cloth is made to sell for \$1.95 and if the jobber had got his profit or even the cost, they would have to sell for \$1.25. But they did not, and now the price on this best cloth is but \$1.00 per yard.
A full line of plain colored Dress Goods in fancy woven stripes of navy, garnet and green, this season's best colors.	As Suits and Skirts come in that close fitting long hip style, the cloths are for that style garment. Cloths that will cling down to the form and make very firm to stand the strain of close-fitting garments.	Fifty-seven-inch new Stripes in colors navy, olive, smoke and plum, when sold else where the price is \$1.50; more sell them at \$1.75. This purchase you can buy at only \$1.35 per yard. Please notice the width.
A full line of finished Worsted Serges in all of the staple colors, also smokes and greens, now at 50c per yard.	Striped Suitings give the effect of a long garment, while checks tend to make a style look shorter; for this reason, stripes are it.	We are putting into this sale with these Dress Goods one lot of \$1.25 yard-wide heavy Messaline Silks at 98c per yard.
Our line of 50c Wool Dress Goods is very strong, knowing that lots of ladies always pay 30 cents for school Dress Goods, we put special strength into this line to make it the best for the price in Vermont.	Herrington weaves in a very finely made \$1.00 goods, 40 inches wide, in muted navy, green and smoke, very best colors. This purchase makes them 87c and saves you 13 cents on every yard.	We have just as good values in Mack Dress Goods as we are advertising in colors and will speak of them later.
We will sell as many yards of the above out of town as in. It doesn't take the trade long to find out the good things.	One lot of 42-inch Stripes in dark green and smoke, a beautiful cloth at the price, \$1.00.	The above purchase is worth looking after and we are glad to spend the time showing you.
We have just received a navy and dark red wool-filled Cashmere that we are to sell at 25c per yard.		

Ladies, Suits and nearly all of our Furs, Skirts and Children's and Misses' Coats are now in our store for Fall and Winter business. Better pick them over for a select selection.

The wrestling match this week Friday night at the opera house between Jack Grace, now of this city, and Harry Cummings of Springfield, Mass., bids fair to give the public of this vicinity a chance to see a splendid exhibition of scientific wrestling. James Barnes, the champion heavyweight wrestler and trainer, claims that Cummings is one of the best men he has turned out and that he is open to meet anyone in the world at 145 pounds. As Cummings has never been defeated by anyone of his weight, it looks as if Grace would have to work hard to win.

Salvation Army Harvest Festival. The Salvation Army will celebrate its annual harvest festival on the 18th, 19th, 20th and 21st of this month, September. The object of the harvest festival is to raise money for the local and national work. Locally, the Army is in arrears with its hall rent, and it is very much desired to raise considerable of this back rent through the harvest celebration. A thorough canvass will be made both in this city and the villages surrounding us as well as the farming districts, and all kinds of gifts are desired, as a sale will be conducted of the things contributed, on Sept. 21. Therefore, if you have not a donation of cash to give, remember that any fancy work, sewed work, such as aprons, children's clothing, baked goods, canned goods, candy, fruit, groceries, and in fact anything that can be turned into cash will be accepted and appreciated. Articles for the sale that are not ready when our collector calls can be left at the hall over the 5 and 10c store, or at the quarters, 30 Merchant street. I want to ask you to please do your best to make this the best and most successful harvest festival ever conducted in Barre, as the need is great. Believe me to be, yours to help the fallen, Ensign A. C. Metcalf, officer in charge.

A moving picture man from Boston said yesterday that the Bijou theatre show, which he saw in the afternoon, was as good as seen in the best theatres in Massachusetts.

Dreamland, the fast growing moving picture theatre, introduced a novelty yesterday in the way of uniformed attendants. Attractive, well fitting grey suits and official caps are now worn by the ushers. The program was received with applause last night. There is no one picture in particular which stands out far above the others, but it is a good, evenly balanced entertainment.
