NOISES IN VENICE. The Way They Crash Upon the Normal Quiet of the City. With all the water traffic and with not a horse or a cab or a wagon to wake the echoes, the utter silence of Venice is the thing that impresses the traveler. Yet because there is no undertone of city noises in which occasional noises may merge the Grand canal at Venice seems to the sleeper at night the noisiest place in the world, for every little noise crashes through one's sleep, and the most wakeful hours of our six weeks in Italy were spent on the Grand canal in Venice.

John Straw, the oldest citizen of Stowe, in point of residence, celebrated his 77th birthday Monday. He established his business in 1855 and is still hard at work at his trade, working wood into anything from a rolling pin to a logging sled.

The search for George Frost of St. Albans, who went fishing at St. Albans Bay Thursday, continued yesterday, but the search was in vain. He was last seen near the north end of Ram Island and said he was going to look for his gun, which he dropped in the lake.

The continued dry weather has lessened Rutland's water supply again and a notice was issued Sunday by C. F. Willis, superintendent of water works, forbidding the use of water except for domestic purposes and asking the citizens to use the greatest care in the use of the water.

Skinner & French of Westfield are making preparations for a large lumber business this winter. They have already four large camps in operation and are getting the fifth in readiness. They expect to get out about 1,000,000 feet of lumber during the coming year. They are employing at present about 200 men in the lumber business.

The Vermont board of library commissioners have recently had a request from the librarian of the Yamaguchi public library, Japan, for copies of all its forms, blanks, and printed matter which were to be shown at a library exhibit to be held in Yamaguchi late in September. Copies of the annual reports of this library have been received by the commission and are very interesting. Parts of the reports are printed in English, and pictures of traveling libraries are given which closely resemble those in use in Vermont, and Japan seems to find them as beneficial.

AMUSEMENT NOTES "The Call of the North" Comes Tomorrow evening. Mr. Paul Gilmore is said to have scored his biggest hit in the new comedy drama, "The Call of the North," in which he will be seen at the opera house next Thursday night with a notable cast of players and a picturesque and elaborate production of scenery, costumes and effects. "The Call of the North" deals with life in the wilderness of northern Canada, and was written by George Broadhurst, author of "The Man of the Hour," and many other successful plays, and is being produced by Edward White's interesting novel, "Conjurer's House." In this new comedy drama, Mr. Gilmore is said to have found another dashing, mercurial, reckless, adventurous character exactly suited to his familiar style.

THE BEST THIN FOLKS MADE FAT Good, healthy flesh can only be gained by the use of the proper food, together with natural action of the organs of assimilation. Nine people out of ten in order to weigh as much as they ought to be perfectly healthy, should use Samose's, the great flesh forming food and health restorer. Weigh yourself before commencing to use these little tablets and see how you weigh increases from week to week. Samose does not contain a particle of starch or papain, nor is it any nauseating preparation, such as is usually recommended to make people fat, and which does not build up good health tissues. Samose has valuable flesh forming properties, tones up and strengthens the whole system, helps the food that is eaten to be assimilated in a natural manner, and absolutely restores health to all the organs. If you are not perfectly satisfied with the result from Samose, D. F. Davis will return your money without any quibbling. Ask for prices and samples. The N. D. Phelps Co.

RICKER'S MARKET. Reports Poultry and Veal as Firm—Beef Inclined to Be Lower. St. Johnsbury, Sept. 22.—Ricker's market reports poultry and veal as firm, while beef is inclined to be lower. Good lambs are selling well; light ones are lower. Hogs are steady. The receipts for the week were as follows: Poultry—4,000, 10@11c. Lambs—870, 3@5 1/2c. Hogs—800, 6 1/2@7 1/2c. Cattle—250, 12@14c. Calves—300, 25@30c. Milch cows—825@853.

IN BOSTON MARKETS. Fine Creamery Butter is a Trifle Cheaper Now. Boston, Sept. 22.—Local butter prices have at last turned, and fine creamery stock in tubs can be had 1/4c per pound cheaper than last week. No change has been made in the smaller packages, as the supply is small. The order turn is due to somewhat larger receipts, to the fact that buyers have taken hold very cautiously at the recent prices and because country markets are lower. Canton, N. Y., quotes the market 1c lower at 30 1/2c, and the New York and Chicago markets are off from their recent levels. The Elgin, Ill., butter market holds firm and unchanged at 30c, but that market did not share in the recent advance, and consequently does not share the weakness that now prevails elsewhere. A rather good demand is noted locally for fine dairy butter owing to the high prices that prevail for creamery butter. There is no change in cheese or eggs. Cheese continues to sell in small lots, the receipts not being large and supplies do not increase sufficiently to weaken dealers' views; the country markets are a little easier, Canton, N. Y., quoting 14 1/2c, or 1/4c lower than a week ago, while the range at Saturday's sales at Waterbury was 14 1/2@15 1/2c, against 14 1/2@15 1/2c a week before. Receipts of eggs continue large, but supplies of fine goods are small and firmly held. Jobbing quotations: Butter—Fancy northern creamery, tubs 33 1/2c, boxes 35@36c, prints 35@36c, western ash tubs 32@33c, dairy 29@30c. Cheese—New York full cream, fancy 16 1/2@17c, Vermont 15 1/2@16c, Wisconsin Young America 17 1/2c, sage 17 1/2c. Eggs—Fancy henmy 36@37c, choice eastern 32@33c, fresh western 27@30c.

LAZE IN BRATTLEBORO. Fire Loss Will Be About \$8,000 on House Destroyed. Brattleboro, Sept. 22.—An alarm from box 42 summoned the Brattleboro fire department to one of the fiercest fires which has visited Brattleboro for many years at 11:35 o'clock yesterday. The two-and-a-half-story frame dwelling house was totally destroyed by the flames. The house was occupied by two families, those of Charles E. Palmer and Oscar F. Kove. A brisk wind fanned the flame, which had gained great headway before the arrival of the department, and handicapped by a low water pressure it was some time before any headway was made against the fire. The new house of Thomas F. Nichols, directly back of the burning structure, was saved only after heroic efforts on the part of some of the townspeople who formed a bucket brigade. The loss will be about \$8,000. The house was valued at \$9,000, this being fully covered. The Palmers carried to insurance and their household effects were lost. Mr. Kove was insured for \$200. It is thought that the fire was the work of some small boys who were seen playing about the premises about 11 o'clock.

EDISON Portland Cement Sold by S. D. ALLEN, Barre, Vt. IN LOCAL MARKETS SOUTH CABOT Geo. Read, who is ill with typhoid fever, is gaining. Rob. Shaw of Walden visited his brother, Orvis, Sunday. Edgar Hawes has commenced work for George Dye of East Cabot. Mr. Henry Kellogg and Mrs. Sam Bemis visited at Ora Kniss' Monday. Mr. and Mrs. L. B. Woodard were in St. Johnsbury to visit friends and attend the fair. Mr. and Mrs. L. J. Eastman spent Saturday and Sunday with their daughter in North Danville. Mr. and Mrs. Dean Hall left Monday in their auto to attend the state fair at White River Junction. Mr. and Mrs. W. O. Southwick expect to leave for Craftsbury the middle of the week to visit relatives. Mr. and Mrs. Frank Bohannon and family of Marshfield spent Sunday with their daughter, Mrs. Wesley Hall. The infant daughter of Mr. and Mrs. Orvis Shaw is ill with bronchial pneumonia. Mrs. Charles Gilman of Lower Cabot is helping them for a few days. Several from here attended the wedding reception of Mr. and Mrs. Wesley Hall, given by the grange in their hall Wednesday evening, Sept. 15. Among the presents were a chair and money from the grange and friends, glassware, linen and money from other friends. After extending congratulations and best wishes to the happy couple, the invited guests and members of the grange were ushered into the dining room, where light refreshments were served, after which the merry party departed, leaving best wishes for a long life and prosperity for the happy couple.

KILLED BY TRAIN. Two Unknown Women Struck at Suncook, N. H. Concord, N. H., Sept. 22.—An unknown woman who was struck by a train at the passenger station crossing in Suncook at 9 o'clock yesterday morning was brought here and died on the way to the hospital. A young woman thought to be a daughter of the one who was killed also was struck by the train and was painfully but it is thought not seriously injured. The body of the dead woman is at the local undertaker's and all efforts thus far to reveal her identity are of no avail.
