The Clover club held its first meeting of the year yesterday afternoon at the residence of Mrs. B. W. Hooker on Park street. This club, which has in years past been noted for its staid and stolid ways, has determined for the coming year to take a new departure, and to indulge in a little frivolity; accordingly, the program committee requested the members at this meeting to bring four lines of original poetry or prose. They all came prepared, some, as they said, with doggerel rhymes, while others thought their selections belonged in the no-name series. The laughter and applause with which each effusion was greeted was evidence that the efforts of the ladies were thoroughly appreciated. A game of questions and answers furnished much amusement. Then each member gave a question on a clover, and a clover song was sung, with Miss Field Hooker as accompanist. The company then repaired to the dining room, which was tastefully decorated with autumn leaves and clover blossoms. A dainty lunch of sandwiches, fruit and home-made candies was served, and after the discussion of the business the meeting adjourned to meet with Mrs. S. D. Allen October 12.

Signs of Winter

Will soon be seen—splits of snow and colder nights. You will be buying heavier, warmer goods and where can you find a better lot or prices lower than you always get right here with us. We want your trade and we thought of that when we priced our goods. If it's any of the following you will never have cause to regret your purchase.

Underwear

First, we want to call your attention to a double fleeced Vest and Pant that is heavy and warm and while you usually pay 25c for a single fleece, this kind is woven double and then fleeced, making it wear longer, very much warmer, and the price is each but 25c. No more than poorer kinds.

Bennington Underwear has for years been a standard kind for all Vermont people and they now know all about its warmth and wear. This is our largest seller, and permit us to say that this same Underwear is sold by us very largely as a leader.

Children's Bennington Wool Underwear starts at 30c small size and increases five cents each size. The ladies' same grade sells at \$1.00, then we have a very fine grade at \$1.50 each.

The Italian trade buy better Underwear than any other class of people and here is where we are pleasing them.

Blankets

Blankets, sometimes, are only in name. We have that kind at only 40c per pair. You can get a good cheap Cotton Blanket now at 50c.

Our eleven-quarter Blankets in white and grey at 98c are good size and weight.

Ask to see our twelve-quarter Grey Blankets at \$1.49 per pair, very large and good finish.

Better Blankets from \$1.50 up to \$10.00 per pair. Will be glad to show you.

Comforters

We do not buy any of the kind filled with old rags. Ours are all cotton filled and clean, sanitary made, that has a good sized Comforter that has always sold at \$1.25 this time at \$1.00 each.

We have an extra size, the largest made, that we are selling as a special at \$1.98 each.

Better satin covered Comforters at very close price to make quick sales.

Dress Goods

During this month we are sponging all of our Dress Goods free and all Dress Goods need sponging or they will either shrink or spot.

We are just now selling all wool Tricot Flannel in plain colors and snowflake at 10c per yard. The plain color is worth 25c and the snowflake 30c.

We have all colors in a 2 1/2 all wool Serge at 50c per yard. These are very cheap and will not remain at this price very long.

On better Dress Goods we made a fortunate purchase, so that we have some of our very best \$1.00 cloths at 87c and \$1.50 cloths at \$1.35 per yard.

We will be pleased to show you these Dress Goods with new kinds of trimmings to match.

We are making low figures on good style, well wearing Silks of all kinds.
