Miss Mabel Garrity in behalf of the company presented him a handsome ring as a memento of the pleasant evening passed.

The Daylight Store

FROSTY NIGHTS

And full prospects of colder weather, and that right away. You ought to buy warmer and heavier kinds of Dry Goods. We want a share of that business, our stock is larger and prices smaller. We are expecting that we can please you—yes, please you better than any season before.

We have what we believe to be a very desirable line of Knit Underwear for children, boys, misses and ladies' wear. We first want you to stop a minute and see what 25c will buy. For 25c you can get Children's Double Fleeced, very heavy; for same price Misses' Fleeced, made like mother's, a shaped Vest, and for 25c the very best Ladies' Fleeced Vest and Pant that ever came into our store. We paid more to give you a rare value. This is the season that we expect a share of your business. Bennington Underwear for boys and children will surely wear longer than other kinds and the wool will show as long as the garment holds together. It's a good kind to have your money in. Musing Union Suits are different from other kinds, the reason that we sell it is that we have reason to believe that it is better—better fitting and better wearing.

When we have a good thing we keep continuously hanging away at it. We think that everyone ought to think the same as we do. These Dress Goods were a fortunate purchase. This accounts for the size of the stock, the styles here shown, and the prices that we are making on them. All this came about by one of the largest Dress Goods houses in Boston changing members of their firm. They wanted the money and that necessary to make their change. We are selling All Wool Tricot Flannels in both plain and snowflake at 10c per yard. See our stock for 50c Dress Goods, also a wide imported Serge at 75c, all colors. Our Broadcloths at \$1.00 are not regular \$1.00 values. Look around. We have a satin-finished Dress Goods now in our window as a special at \$1.00 would sell in any city for \$1.35 and be good value.

Our grandmothers used to use home-made quilts for warm bedding; now it is factory-made Blankets. If you buy good qualities they wear for years. If poorer grades, they go quicker. We have both kinds, but try to get all that we can for the price that we ask. We have a very good ten-quarter Blanket in grey at 40c per pair and a little larger one at 50c. Our Blankets at \$1.40 are extra size. This means as large as can be used conveniently. Our line of Blankets from \$2.50 up are wool and part wool. We make a try to have a very good Wool Blanket for about \$5.00 per pair. We have a line of Blankets that are very much like home-made Blankets. These have the real wearing business in them. Wrapper Blankets with girdles or cords to match.

If you buy one pair of Regal Shoes on our recommend you will buy your next here, because you want that kind. New styles just opened up. Ladies' Rubbers to fit all Shoes.
