To Make Out Glass Spark. To check and detect the light, cut-glass must be spotlessly clean and transparent. Soap leaves a greasy film on the glass which is hard to remove; the following method of washing will, however, be found to leave the glass crystal clear. It is best to use a wooden tub for washing cut glass, but if one is not at hand, pad the metal dish sink with soft glass linen towels or any soft piece of cotton. Wash the glass in a warm suds, made by dissolving a teaspoonful of Gold Dust washing powder in a pan of warm water; use a soft brush to clean the surface, then rinse in water of the same temperature. After the glass has been carefully dried on glass linen, use a camel's hair brush to polish the cut surface. To clean the inside of water bottles, insert a very thin glass linen towel and force to all parts of the bottle with a cheap wire holder.

EAST MONTPELIER.

C. M. Hamblin was a business visitor in Montpelier Thursday. Mr. and Mrs. John Bond visited relatives in Marshfield Wednesday. Mrs. Wheeler Batchelder of Plainfield spent Friday with her daughter, Mrs. Earl Bartlett. Ruby Wright, who is teaching in Havenhill, N. H., came home Friday to visit over Sunday. Arthur Bartlett finished this week delivering a lot of shingles he sold to Barre parties. There are a few to take the first and second degrees at the regular meeting of the grange next week. Clarence Goodale and wife and daughter started Monday for Jacksonville, Florida, to reside there. Mrs. Henry Brothers and two children of Braintree came last week to visit their sister, Mrs. Rivers. Mrs. C. F. Dudley and Mrs. G. P. Dudley were the only ones we know of who went to Boston on the excursion last Monday from here. Mrs. Fred Townsend has so far recovered from her recent illness as to be able to take a short ride a few days ago in C. P. Dudley's auto. Marshall Lamson and wife and daughter of Williamstown visited two days the first of the week at C. A. Badger's. Mr. Badger is Mrs. Lamson's father. C. M. Hamblin has bought and loaded a car of potatoes at the station here this week, to go to Massachusetts. The price paid was 40 cents a bushel. Joe Gay, the local blacksmith, injured one hand a little a few days ago, and it is now badly swollen and very painful, with signs of blood poisoning, which it is hoped a doctor will prevent. William Buzzell and wife and little daughter, also his mother, Mrs. Augusta Buzzell, all of North Randolph, came Saturday to visit at the homes of their relatives, J. F. Robbins and M. E. Howland, and returned home Monday. Mrs. William Ainsworth and son William of Chelsea, N. H., came last Saturday to visit at the home of Frank LeBaron and other relatives in town for a few days. Mr. LeBaron has not received his increase of pension, but expects it soon. Mrs. J. F. Robbins and guests, Mr. and Mrs. Perry, of Malden, Ill., spent Sunday with Miss Carrie Snow at her home near Berlin pond. Mr. and Mrs. Perry have been here several weeks and left for home Thursday, called by the serious illness of a sister in Malden, Ill. One of the Fleming brothers of Missouri who are Jersey cattle buyers was in town recently and only putting in about one and a half days' time bought a carload of 44 head in East Montpelier and Plainfield, and the whole of them were driven in one lot to Montpelier Junction Wednesday for shipment 1,400 miles to Missouri. J. F. Robbins, Phyllis Batchelder, M. E. Howland, A. G. Whitcher and G. H. Clark were those in town who sold the Jersey cows to go to Missouri and drove them to Montpelier Junction Wednesday. Each man sold in the order named four, two, five, seven and six.

It's a Top Notch Deer. Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery the king of throat and lung remedies. Every atom is a health force. It kills germs, and colds and la grippe vanish. It heals cough racked membranes and crouping stops. Sore, inflamed bronchitis, tubes and lungs are cured, and hemorrhages cease. Dr. George More, Black Jack, N. C., writes "It cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00. Trial bottle free. Guaranteed by Red Cross Pharmacy.

A Dainty Toilet Article. Every lady who desires to keep up her attractive appearance, while at the theatre, attending receptions, when shopping, while traveling and on all occasions should carry in her purse a booklet of Goutrand's Oriental Beauty Leaves. This is a dainty little booklet of exquisitely perfumed powdered leaves which are easily removed and applied to the skin. It is invaluable when the face becomes moist and flushed and is far superior to a powder puff, as it does not spill and soil the clothes. It removes dirt, soot and grease from the face, imparting a cool delicate bloom to the complexion. Sent anywhere on receipt of five cents in stamps or coin. F. T. Hopkins, 37 Great Jones street, New York.

Charles Nesbit of West Brattleboro Seriously But Not Dangerously Wounded Saturday Afternoon. Brattleboro, Oct. 18.—Charles Nesbit, aged 21, was seriously injured at the result of an accidental shooting Saturday. He was cleaning an old revolver at his home on the Marlboro road in West Brattleboro, about four miles from this village, between 4 and 5 o'clock. The ball entered his left shoulder. He was alone in the house, but he went to the home of a neighbor, who sent for assistance. Although his wound is serious, he will probably recover.

Body of Elmer H. Gardner Was Found at Concord, N. H. Concord, N. H., Oct. 18.—The body of Elmer H. Gardner, a forward freight brakeman on the Concord division of the Boston & Maine railroad, was found at the railroad yard here at 10 o'clock Saturday night. He came in from the north on his train and was last seen by the engineer as the train was nearing the city. Just how the accident happened it is not known, but it is supposed that he in some way lost his footing and fell between the cars. He was 40 years old and a resident of East Andover, N. H. He leaves a wife and seven children.

WOMAN IN AUTO KILLED. Was Thrown Against Tree When Machine Skidded. Tuxedo Park, N. Y., Oct. 18.—Mrs. Bruce Price, one of the wealthy residents of Tuxedo Park, was killed and Mrs. Charles J. Conlter was badly injured in an auto accident yesterday afternoon on the road from Tuxedo to Aiden. The other occupants of the car, Mrs. Conlter's 12-year-old son, and the chauffeur, were unhurt. The car, a large touring Ford and owned by Mrs. Conlter, was going north on the main road on the Harriman estate, 300 feet from Aiden station, when the chauffeur pulled out to one side to pass a car ahead. The machine broke down and skidded to the brush on one side of the road, throwing Mrs. Price against a tree, killing her instantly. Mrs. Bruce Price was one of the well known residents of Tuxedo and mother of Mrs. Emily Post. Her husband, who died several years ago, was a well known architect of New York, having designed many large New York buildings.

VERMONT ACCIDENTS

Wesley Richards Killed at Lyndonville. Poutney Man Committed Suicide by Hanging and Brattleboro Boy Was Accidentally Shot. Lyndonville, Oct. 18.—Wesley Richards, the 10-year-old son of Charles Richards, was run over by a switching locomotive, and instantly killed late Saturday.

Struck by Train, Terribly Mangled. Peter Lamouria Killed Near West Rutland Saturday Evening—A Son of the Deceased Died a Few Hours Before. Rutland, Oct. 18.—Peter Lamouria, aged about 50 years, was instantly killed near West Rutland Saturday evening at 6.30 o'clock by being struck by the train on the Delaware & Hudson railroad known as the "hill freight," which leaves this city at 5.45 o'clock. This was the second time within four hours that death visited the Lamouria household, a son of the deceased man dying at 3 o'clock at Sunday afternoon, following a brief illness with inflammation of the bowels. The accident to the elder Lamouria happened about 300 feet this side of the Whipple Hollow crossing. Edward Lamouria, his son, 23 years old, had been ill at his home several days and Saturday afternoon the boy died. Peter Lamouria, after arranging things about the house, walked to West Rutland to complete the funeral arrangements for his son, and started home a little after 5 o'clock, walking along the track. John Duffy, who lives near the track, heard the train come to a stop and thinking something was wrong, he rushed out and with engineer Martin Gully and conductor James Collins, both of Whitehall, N. Y., found the terribly mangled body lying between the rails. The engine and 12 cars had passed over it. The man's hat was found beside the track about 15 rods from the body. Mr. Duffy identified the dead man and selected Daniel O'Rourke and Dr. C. B. Ross were notified and they ordered the body removed to the undertaking rooms of C. H. Campbell. Peter Lamouria had lived a good share of his life in the vicinity of West Rutland. He was employed by the Vermont Marble company running a machine in the Aliberton quarry. Besides his wife he is survived by six sons and two daughters. A double funeral was held at the Church of the Sacred Heart of Jesus at West Rutland this morning at 8 o'clock. The bodies were buried together.

Accidentally Shot Cleaning Revolver. Charles Nesbit of West Brattleboro Seriously But Not Dangerously Wounded Saturday Afternoon. Brattleboro, Oct. 18.—Charles Nesbit, aged 21, was seriously injured at the result of an accidental shooting Saturday. He was cleaning an old revolver at his home on the Marlboro road in West Brattleboro, about four miles from this village, between 4 and 5 o'clock. The ball entered his left shoulder. He was alone in the house, but he went to the home of a neighbor, who sent for assistance. Although his wound is serious, he will probably recover.

Freight Brakeman Killed. Body of Elmer H. Gardner Was Found at Concord, N. H. Concord, N. H., Oct. 18.—The body of Elmer H. Gardner, a forward freight brakeman on the Concord division of the Boston & Maine railroad, was found at the railroad yard here at 10 o'clock Saturday night. He came in from the north on his train and was last seen by the engineer as the train was nearing the city. Just how the accident happened it is not known, but it is supposed that he in some way lost his footing and fell between the cars. He was 40 years old and a resident of East Andover, N. H. He leaves a wife and seven children.

Woman in Auto Killed. Was Thrown Against Tree When Machine Skidded. Tuxedo Park, N. Y., Oct. 18.—Mrs. Bruce Price, one of the wealthy residents of Tuxedo Park, was killed and Mrs. Charles J. Conlter was badly injured in an auto accident yesterday afternoon on the road from Tuxedo to Aiden. The other occupants of the car, Mrs. Conlter's 12-year-old son, and the chauffeur, were unhurt. The car, a large touring Ford and owned by Mrs. Conlter, was going north on the main road on the Harriman estate, 300 feet from Aiden station, when the chauffeur pulled out to one side to pass a car ahead. The machine broke down and skidded to the brush on one side of the road, throwing Mrs. Price against a tree, killing her instantly. Mrs. Bruce Price was one of the well known residents of Tuxedo and mother of Mrs. Emily Post. Her husband, who died several years ago, was a well known architect of New York, having designed many large New York buildings.

Wesley Richards Killed at Lyndonville. Poutney Man Committed Suicide by Hanging and Brattleboro Boy Was Accidentally Shot. Lyndonville, Oct. 18.—Wesley Richards, the 10-year-old son of Charles Richards, was run over by a switching locomotive, and instantly killed late Saturday. Leaving a foot ball game he had been watching near the railroad, he attempted to cross the tracks on his way home and slipped on the rails. Wesley's mother is an invalid. His father is a stone mason and is working at Dover, N. H.

AFTER DOCTORS FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her. Willimantic, Conn.—"For five years I suffered untold agony from female troubles, causing backache, irregularities, dizziness and nervous prostration. It was impossible for me to walk a step without stopping on the way. I tried three different doctors and each told me something different. I received no benefit from any of them, but seemed to suffer more. The last doctor said nothing would restore my health, I began taking Lydia E. Pinkham's Vegetable Compound to see what it would do, and I am restored to my natural health."—Mrs. ETTA DONOVAN, Box 299, Willimantic, Conn. The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills, and suffering women owe it to themselves to at least give this medicine a trial. Proof is abundant that it has cured thousands of others, and why should it not cure you?

TUFTS COLLEGE. Engineering Society Program for the Season. An important meeting of the Engineering society was held on Thursday afternoon at five o'clock. A large amount of routine business was transacted and the resignation of Richard C. Allen, '10, as president was read and accepted, and Prentice W. Towsey, '10, was elected to fill the vacancy. A plan was then outlined which materially affects the program of previous years. Usually there has been a list of lectures on purely technical subjects, but by this new plan these lectures will be alternated with social gatherings. The first event will be a reception to the freshmen, and this will be followed by smokers, talks by members of the alumni, lectures by professors, social evenings, etc. All of this plan was considered very favorably by all present, and was incorporated into an amendment, which will be voted upon at the next meeting on Tuesday at five o'clock. E. Benjamin Armstrong, '05, of Boston, who was treasurer of the executive committee of the alumni field day, which was held last June, has just submitted a report, which shows the receipts to be \$321.71 against expenditures of \$247.55, and this leaves a balance on hand of \$74.16. This first alumni field day was a great success from every standpoint and now that the finances are in such healthy shape it is safe to predict another such event this coming June. A 15 h.p. motor and an 11 h.p. Ferro gasolene engine, two-cycle, two cylinders, are recent accessories for the mechanical engineering laboratory. This year six Cooper-Hewitt mercury arcs were installed in the mechanical drawing rooms and they have given perfect satisfaction. In all probability others will be installed in the near future. Robert S. Kimball, '10, manager of the base ball team, has announced a season of fall practice. The men will report regularly either in the cage or on the oval as weather permits and in this way the candidates for positions next spring will be kept in good form. The varsity men back this year are Knight, 1 b., DuBois, ss., McKenna, 2b., Hooper, cf., Atwood, p., Hall, p., and Dickinson, 3b. With this material in addition to several promising freshmen candidates the outlook for the team is very bright. Many ills come from impure blood. Can't have pure blood with faulty digestion, lax, liver and sluggish bowels. Buckle Blood Bitters strengthens stomach, bowels and liver, and purifies the blood. Itching, torturing skin eruptions, disfigure, annoy, drive one wild. Doan's Ointment brings quick relief and lasting cures. Fifty cents at any drug store. After a heavy meal, take a couple of Doan's Regulents, and give your stomach, liver and bowels the help they will need. Regulents bring easy, regular passages of the bowels. Everybody's friend—Dr. Thomas' Electric Oil. Cures toothache, earache, sore throat. Heals cuts, bruises, scalds. Stops any pain.

Wesley Richards Killed at Lyndonville. Poutney Man Committed Suicide by Hanging and Brattleboro Boy Was Accidentally Shot. Lyndonville, Oct. 18.—Wesley Richards, the 10-year-old son of Charles Richards, was run over by a switching locomotive, and instantly killed late Saturday. Leaving a foot ball game he had been watching near the railroad, he attempted to cross the tracks on his way home and slipped on the rails. Wesley's mother is an invalid. His father is a stone mason and is working at Dover, N. H.

Struck by Train, Terribly Mangled. Peter Lamouria Killed Near West Rutland Saturday Evening—A Son of the Deceased Died a Few Hours Before. Rutland, Oct. 18.—Peter Lamouria, aged about 50 years, was instantly killed near West Rutland Saturday evening at 6.30 o'clock by being struck by the train on the Delaware & Hudson railroad known as the "hill freight," which leaves this city at 5.45 o'clock. This was the second time within four hours that death visited the Lamouria household, a son of the deceased man dying at 3 o'clock at Sunday afternoon, following a brief illness with inflammation of the bowels. The accident to the elder Lamouria happened about 300 feet this side of the Whipple Hollow crossing. Edward Lamouria, his son, 23 years old, had been ill at his home several days and Saturday afternoon the boy died. Peter Lamouria, after arranging things about the house, walked to West Rutland to complete the funeral arrangements for his son, and started home a little after 5 o'clock, walking along the track. John Duffy, who lives near the track, heard the train come to a stop and thinking something was wrong, he rushed out and with engineer Martin Gully and conductor James Collins, both of Whitehall, N. Y., found the terribly mangled body lying between the rails. The engine and 12 cars had passed over it. The man's hat was found beside the track about 15 rods from the body. Mr. Duffy identified the dead man and selected Daniel O'Rourke and Dr. C. B. Ross were notified and they ordered the body removed to the undertaking rooms of C. H. Campbell. Peter Lamouria had lived a good share of his life in the vicinity of West Rutland. He was employed by the Vermont Marble company running a machine in the Aliberton quarry. Besides his wife he is survived by six sons and two daughters. A double funeral was held at the Church of the Sacred Heart of Jesus at West Rutland this morning at 8 o'clock. The bodies were buried together.

Accidentally Shot Cleaning Revolver. Charles Nesbit of West Brattleboro Seriously But Not Dangerously Wounded Saturday Afternoon. Brattleboro, Oct. 18.—Charles Nesbit, aged 21, was seriously injured at the result of an accidental shooting Saturday. He was cleaning an old revolver at his home on the Marlboro road in West Brattleboro, about four miles from this village, between 4 and 5 o'clock. The ball entered his left shoulder. He was alone in the house, but he went to the home of a neighbor, who sent for assistance. Although his wound is serious, he will probably recover.

Freight Brakeman Killed. Body of Elmer H. Gardner Was Found at Concord, N. H. Concord, N. H., Oct. 18.—The body of Elmer H. Gardner, a forward freight brakeman on the Concord division of the Boston & Maine railroad, was found at the railroad yard here at 10 o'clock Saturday night. He came in from the north on his train and was last seen by the engineer as the train was nearing the city. Just how the accident happened it is not known, but it is supposed that he in some way lost his footing and fell between the cars. He was 40 years old and a resident of East Andover, N. H. He leaves a wife and seven children.

WOMAN IN AUTO KILLED. Was Thrown Against Tree When Machine Skidded. Tuxedo Park, N. Y., Oct. 18.—Mrs. Bruce Price, one of the wealthy residents of Tuxedo Park, was killed and Mrs. Charles J. Conlter was badly injured in an auto accident yesterday afternoon on the road from Tuxedo to Aiden. The other occupants of the car, Mrs. Conlter's 12-year-old son, and the chauffeur, were unhurt. The car, a large touring Ford and owned by Mrs. Conlter, was going north on the main road on the Harriman estate, 300 feet from Aiden station, when the chauffeur pulled out to one side to pass a car ahead. The machine broke down and skidded to the brush on one side of the road, throwing Mrs. Price against a tree, killing her instantly. Mrs. Bruce Price was one of the well known residents of Tuxedo and mother of Mrs. Emily Post. Her husband, who died several years ago, was a well known architect of New York, having designed many large New York buildings.

QUEBEC'S WATERFRONT SWEPS BY FIRE

Loss Saturday Night Was Over Half a Million and One Fireman Lost His Life—Great Quantity of Grain Destroyed. Quebec, Oct. 18.—Fire which destroyed over \$650,000 worth of property and cost the life of one fireman swept the river front at Quebec Saturday night. It started in the Canadian Northern railroad company's elevator shortly before 9 o'clock. Fanned by a strong wind, the flames swept down the carriers to the warehouses and customhouse along the river. The steam and other vessels except a couple of last-voix were saved. The Canadian Pacific liner Empress of Ireland, crippled by colliding with a submerged wreck in the St. Lawrence, was towed to safety in the nick of time. The Canadian Northern elevator, the custom house and a number of adjoining warehouses were burned. At midnight the firemen had the situation in hand. The loss is estimated at \$650,000. The Canadian Northern elevator was valued at \$300,000 and contained 135,000 bushels of grain.

DEPOSIT GUARANTY LAW VOID. Federal Circuit Court Declares the Nebraska Act Unconstitutional. Lincoln, Neb., Oct. 18.—The Nebraska state bank deposit guaranty law was declared unconstitutional and void in the federal court Saturday afternoon. The decision was rendered by Circuit Judge Van Devanter and District Judge Thomas H. Munger. The basic principle of the compulsory guaranty law is the enforced contribution by each bank to a common fund to pay losses of failed banks. The court held that this was depriving a person of his money to pay the debts of another and was taking it from him without due process of law, thereby violating the constitutional guaranty of rights. The court expressly stated in the decree that it leaves undecided two other questions. One is whether the state can restrict the banking business to corporations and bar out individuals, and the other was whether the implied powers of the Nebraska constitution permit this arbitrary amendment of charters previously granted to persons and corporations to restrict them alone to corporations. The state will immediately appeal to the supreme court of the United States.

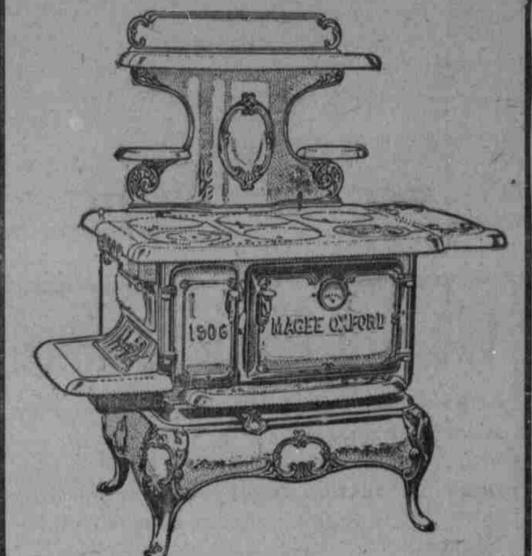

DIED FRIENDLESS AND ALONE IN LONDON. William I. Buchanan Formerly a Prominent Man in United States, Was Identified Yesterday. London, Oct. 18.—Former Judge William I. Buchanan, formerly American minister to Panama and later special envoy to Venezuela, died in this city Saturday night. Near midnight a policeman was patrolling Park lane found a man in evening dress clinging to a railing outside of number 16. He was unable to speak and was evidently very ill. The policeman took him to St. George's hospital, where he died before the doctors could aid him. Death was caused by heart disease. The body was taken to a mortuary, where it was identified yesterday morning by the manager of the Claridge hotel, where Buchanan frequently stayed. He arrived there last Tuesday from the Continent. There is no suspicion whatever of violence and the American embassy is making arrangements for his funeral.

TO HURRY UP RECORDS. Cook Announced He Would Cancel Some of Lectures. New York, Oct. 18.—Dr. Cook, in a speech made at the dinner given to him by the Danish societies of America, in Brooklyn Saturday night, announced that he would cancel as many of his lectures as possible because of the events of the past few days, and at once prepare his polar records for the university of Copenhagen. He also made the positive announcement that his records would go first to Copenhagen, and that not until the university had finished with them would scientific bodies receive his north pole data. The dinner invitation was accepted by Dr. Cook by wireless while he was on the Atlantic. It was held at the Assembly, 155 Pierpoint street, Brooklyn. About 250 Danish men and women cheered the doctor to the echo as he entered the dining room. Toastmaster E. V. Eskesen in a speech of welcome told Dr. Cook that they were all Danes. Back of Dr. Cook was a large over piece of chrysanthemums and what was said to be a picture of the pole. "We believe in you" was the motto attached to the floral piece.

MRS. LONGWORTH SOLD FLAGS. Helps to Raise Money in the Anti-Tuberculosis War in Cincinnati. Cincinnati, Oct. 18.—Saturday was "Flag Day" in Cincinnati; the day designated for the sale of the stars and stripes of small flags for the benefit of the local and national anti-tuberculosis movement. Pretty full returns received Saturday indicate that at least 150,000 of the tiny emblems were sold during the day and that the fund thus realized will be in the neighborhood of \$10,000. Men, women and children volunteered as salespeople and brass bands aided in arousing the enthusiasm. At the Gibson house parlors Mrs. Nicholas Longworth acted as saleswoman, with her husband, Congressman Longworth, at her side. A speaker mentioned to the fact that her father inaugurated the movement. Mrs. Longworth sold one flag for \$100, the highest price received throughout the day. The purchaser was Thomas P. Egan, a millionaire Cincinnati manufacturer and father-in-law of Beniamin Vessellia of Atlantic City. Mrs. Longworth emptied her own purse among the cash receipts on the table before her, the fund being increased nearly \$20 thereby.

RILEY'S ORCHESTRA. Made up for the All Occasions. Apply at 21 East St. Tel. 341-21.

TOO HIGH! Some people have the idea that the cost of Electric Light is too high—that it is expensive. Look at it this way—If it is safer, cooler, cleaner and more cheerful and convenient than any other illuminant, isn't it worth more to you? We can easily show you that our rates are fair as compared with other cities and lower than in many. And our service is constant and sure. The lights always burn.

CONSOLIDATED LIGHTING CO. - AND - Vermont Power & Lighting Co. 'Phone 246-2 135 No. Main St.
