When You saw it advertised

in the big Magazines, perhaps you did not know that this famous

Ostermoor \$15.

Mattress was for sale in Barre.

If you will step into our store we will show you as fine a line of Ostermoor Mattresses as can be seen anywhere.

We Sell It Here

so do not think you have to go elsewhere or write the manufacturers for information. We consider the Ostermoor the best mattress made. It has mattresses made in imitation of it everlastingly beaten in healthfulness, lasting comfort and real value. And it never has to be renovated, because it is dustproof, and owing to the construction of the eight Ostermoor sheets which compose it, never can pack down, get lumpy or hard.

It is in a class by itself, and it's low price makes the purchase of "stuffed mattresses" or inferior imitations the worst kind of false economy.

We are exclusive agents in Barre for this well-known Mattress.

The Daylight Store

QUALITY vs. QUANTITY

Sometimes quality counts, at other times quantity counts. It's a good purchase when both have been considered. Goods must be bought right or one of the two essentials will be lacking. If you will consider our merchandise you will very quickly see when both have been considered. We want to say right here that our next Spring's Knit Underwear was bought over two months ago, that we could not place our order today as manufacturers have not only withdrawn prices but will not sell any more now at any price. This means that late buyers will get neither Quantity or Quality to sell for 25 cents per garment.

Bed Comforters

Just arrived to-day, another bale of cotton-filled Comforters, the same as sold last week at \$1.00 each.

Also Bed Comforters, good size, both sides covered with figured coverings, now at \$1.25 each.

One lot more of those twelve-quarter extra large White Blankets, at only \$1.49 per pair. This will be the last lot of this extra size.

Ask to see our imitation home-made Blanket in wool at \$4.50.

You will not have to pay any merchant any more for Wool Blankets than paid last season, but next season will make a big change, as manufacturers have already made their advance. It's worth knowing.

We like to talk about good things, those that we believe to be better than other kinds. This is the reason that we never forget the REGAL SHOE.

Serpentine Crepe

This is a cloth that has in a short time come to be very popular for bed coverings. It is one of the best materials for the price made, as it will wash perfectly and keep its color, and does not need ironing.

Serpentine Crepe is also made in smaller figures for dressing gowns and ladies' kimonos. It has a style that price does not represent. Any style at 18c per yard.

These Crepes are to be extensively advertised in all December magazines.

We have a limited amount of good styles in yard-wide, both light and dark colored Percalés at 10c per yard.

One lot of imported 25c Percalés, a lot that we closed, price now only 17c per yard.

Free This Year

The New Idea Woman's Magazine, fashion's best publication, free for December, 1909, to anyone subscribing at once for 1910.

You save 70c by subscribing by the year, for the price is still only 50c, although the single copy was increased from 5c to 10c.

And by subscribing now, you get December free and the twelve issues of 1910 for 50c.

You haven't a periodical in your home that compares with this for the price, and at the same time you are receiving each month numbers of the very best patterns cut to-day, at the small price of 10c each.

This is where quantity and quality come again, wrapped in one paper.

Mr. and Mrs. W. E. Fisk entertained the Boutwell Sunday school social last evening. Sixty-five were present and a very enjoyable evening was spent. Coffee, sandwiches and cake were served. The sale of meekies proved a decided success, \$9.00 being realized. Do not forget the Sunday school, Sunday at 3 p. m. Everyone welcome.

Amateur night at the Pavilion last night proved very entertaining and seemed to be thoroughly enjoyed by all present. Genie Gerouti taking first prize on a recitation of "The Gladiator," in Italian. His appearance was very pleasing, a tiny little tot dressed in a gladiator's costume. He was surely entitled to the great round of applause that he received. Geo. Bennett and Peter Morgan got the second prize, on an amateur boxing contest. Alex. Jeffries came near winning second prize for his harmonica solos. The management of the Pavilion was guided by the applause of the audience in making its decision as to who were the winners of the prizes, and was very fair and impartial. Amateur performers will be given another chance next Wednesday night, at which time another amateur contest will be held.
