ITCHING SKIN EASILY SOOTHED

Old and Tried Remedy Convinces Sufferers on First Trial. That awful, agonizing itch, torturing day and night—then, suddenly, the skin calmed, soothed and refreshed. That is what any eczema sufferer can accomplish in two minutes by the use of the right treatment: just oil of wintergreen, mixed with thymol, glycerine and other healing ingredients in liquid form. While a sanitary salve would only close up the pores of the skin, driving the disease germs in still deeper, the medicine in liquid form penetrates the epidermis, kills and washes out the eczema germs and stops the itching instantly. We recommend this D. D. Prescription heartily, and we guarantee that a trial bottle at 25 cents will convince you. Burt H. Wells, Barre, Vt.

WILLIAMSTOWN

Death of Frank W. Flint, a Former Resident of the Place. Frank W. Flint, son of the late Calvin Flint, died last Saturday at his home in Windsor, at the age of some 68 years. His early life was spent here. When he was some 20 years of age, he enlisted in the 4th Vermont regiment, in the war of the Rebellion; but he had hardly been in the service six months, when he was discharged for disability. After his return from the army, he began work on the V. C. R. R. as a brakeman, and continued in the service of the company for some two score years, much the longer portion of the time having served as a conductor on passenger trains. His first wife was Elizabeth, daughter of the late Mr. and Mrs. Oronit Abbott, who died here, years ago. Not very many years ago, he married again, his wife, who survives him, having been a well known widow in Windsor, where he has since lived. For some years he has been suffering from a disease, on which he lived summer and winter here in the village of Windsor, though often going to Washington, D. C., for a portion of the cold seasons. Mr. Flint was a very genial man, and we think had many friends and well-wishers. Besides a wife, he leaves one brother, Horace Flint of Gibson, Nebraska, whose privilege it was to be with him in late days; also two sisters, Mrs. George Beckett and Mrs. James S. Hopkins, both of this place. The body was brought here Monday afternoon, and a service was held at the home of Mrs. Hopkins, Tuesday afternoon, Rev. D. H. Strong officiating. The burial was in our village cemetery. For years Mr. Flint was a member of the Congregational church of this place, and his generous subscriptions to the support of the church, even after he went from here, were highly valued. Eventually, he transferred his church relationship to the Congregational church in Windsor.

Granite Cutter Erskine P. Rowell, although locked out of the stone sheds with his fellow workers, is having luck at trapping these days. Mink and other small animals help to swell his treasury. If this treasury can be made now to assume the proportions of some of the ladies' hats that his wife, our only neighbor, now sees, he can stand the lock-out for some time, we suspect!

We are looking for some "break in the cloud" that have settled down on the physical condition of Mrs. J. K. Lunde in the Heaton hospital, Montpelier. With a serious valvular trouble of the heart; with a partially paralyzed condition of body; and with the terrible wear of nerves in the last year or more, we know that her friends have reason for great anxiety. May Heaven be propitious to her now!

Veteran Charles C. Staples has taken to his bed, with heart and dropsical trouble, and his case is a very serious one.

A prominent citizen of our county and a patron of our Williamstown Inn tells us he has never before seen so fine a table in a hotel here as Landlord Leffing well spreads for his guests. What wonder that we want to keep such an inn from going out!

Kills Her Foe of 20 Years. "The most merciless enemy I had for 20 years," declares Mrs. James Dumeau of Haynesville, Me., "was dyspepsia. I suffered intensely after eating or drinking and could scarcely sleep. After many remedies had failed and several doctors gave me up, I tried Electric Bitters, which cured me completely. Now I can eat anything. I am 70 years old and am overjoyed to get my health and strength back again." For indigestion, loss of appetite, kidney trouble, lame back, female complaints, it's unequalled. Only 60c at Red Cross Pharmacy.

GENUINE ECZEMA REMEDY New Remedy That Cures Eczema Quickly. D. F. Davis sold hundreds of jars of HOKARA in the last few weeks, and although he offered to refund the purchase price to any dissatisfied purchaser, not one jar was returned. While this is surprising in itself, yet the most marvelous thing is the reports of chronic cases of eczema that have been cured by this simple skin food. People who have suffered with scales, scabs and even healing itching have found relief in HOKARA. No matter where the eczema, pimples or other breaking out occurs, whether on the face, hands, legs or body, the application of HOKARA will give quick relief, and even the worst or most chronic cases will be cured in a short time. You can buy a liberal sized jar at a very low price, 25c, and with every package goes D. F. Davis' guarantee to refund the money if it is not satisfactory. Larger size, 50c.

Anty Drudge's Horrible Dream.

Anty Drudge—"Mercy sakes! I!!! I'm glad there's no danger of that dream ever coming true. I dreamed there was no such soap as Fels-Naptha and I had to wash clothes in the old way of boiling in hot water with ordinary laundry soap and hard-rubbing. Nothing could be more awful."

Fels-Naptha has changed everything on washday.

Instead of a hot fire, little or no fire.

Instead of boiling, just a short soaking in cool or lukewarm water.

Instead of steam and smell through the house, no steam nor odor at all.

Instead of all day over the wash, a half day.

Instead of hard-rubbing, only a little rubbing.

Yes, Fels-Naptha has completely changed washday!

Fels-Naptha is imitated but not duplicated. You are sure of the genuine if you insist on the red and green wrapper.

WOMEN'S WOES

Barre Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up" must attend to duties, in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work, with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well, and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys, and is endorsed by people you know.

Mrs. Eliza Mitchell, 42 Maple avenue, Barre, Vt., says: "I was subject to attacks of kidney complaint for some time. The passages of the kidney secretions were too frequent, and I also had severe pains in my back and hips. I was subject to dizzy spells, and any cold I caught was sure to make the trouble worse. A member of my family had used Doan's Kidney Pills and been so greatly benefited that I decided to give them a trial. I got a box at E. A. Drown's drug store and had taken but a few doses before I experienced relief. The pains in my back gradually diminished, the kidney secretions passed more regularly and my condition greatly improved. I have taken Doan's Kidney Pills occasionally since then, and have found that they act as a tonic to my kidneys, keeping these organs in a normal condition. I consider it a pleasure, as well as a duty, to make the value of this remedy known to other kidney sufferers."
