## Christmas Hinting Begins Early This Year

"Hiram dear, Millie Meadows has joined the Organ Fund Society, the Shakespeare Club, and the Jolly Whist Players since she got her Hoosier Cabinet. She says she is going to ferret out her avatars."

**Mr. Husband:** Every one of the 300,000 Hoosier Cabinets in use carries a tale of leisure hours.

Are you so indifferent that you will let your wife go on spending six hours in the kitchen, when only three are enough?

**Mrs. Wife:** Will you let your wife suffer drudgery three times every day, taking countless steps around the kitchen, when all this unnecessary work can be saved by getting her a Hoosier Kitchen Cabinet. Tie a string around his finger today.

Will you let a tiny bit of money stand between your wife's comfort and this great labor saver?

\$5.00 will have a Cabinet delivered to the house, or it will hold it for Christmas delivery, then, only \$1.00 a week—so little you scarcely will know you are paying it.

We want you to know about this Godsend to the toiling wife. It will last a lifetime and be a constant daily help.

Merely leave her name with us. That is important.
