## Here You'll Find A Store Filled to Overflowing With Xmas Gift Things

And Nowhere Will You Get More for the Amount You Are Prepared to Spend

There was a time when few people thought of going into a furniture store to buy Holiday gifts. But that time has gone by. Now it is the rule rather than the exception. That's because people appreciate useful gifts more than anything else—and naturally public taste has turned in our direction. Now it is one of the busiest times of the year for us.

So we have gathered a wonderful stock of Holiday goods to supply the great demand. Already we have sold hundreds of dollars worth of furniture designed for gift giving. And we will be busy right up to Xmas Eve disposing of this splendid stock. Now don't do yourself the injustice of not looking over this Holiday assortment of ours.

## Our Children's Furniture

Most Pleasing and Practical Gifts for the Little Folks

A very complete and attractive showing of practical designs in Children's Furniture is found here, containing many novel ideas in quaint chairs, rockers, settees, bureaus, chiffoniers, etc., all built strongly and finished carefully, making most useful Christmas gifts that are practically indestructible.

We have a dining room suite, consisting of extension table, four chairs, china closet and buffet, weathered finished, in green. Price complete, \$20.00; sold separately, if wanted. Suite on display in our window. Children's chairs, rockers, etc., from \$1.00 up.

## Pictures and Picture Framing

We are showing a large line of pictures, including some of the Harrison Fishers and Christy's. They make very acceptable Holiday gifts. Remember we show the largest line of picture moulding in this city and pictures brought to us as late as Thursday night will be gotten out in time for Xmas.
