## WALES GOODYEAR RUBBERS

WHOLESALE DISTRIBUTORS  
THE ALLEN-BARTLETT SHOE CO., BURLINGTON, VT.

In the factory of the Wales-Goodyear Shoe Company at Naugatuck, Connecticut, 30,000 pairs of rubber boots and shoes are made daily, or 8,000,000 pair a year. This fact is important to you, for it emphasizes the quality of rubber boots and shoes made by this concern fully as much as it signifies the immense number manufactured. With the Wales-Goodyear Company during their 65 years of manufacturing of rubber boots and shoes it has always been **The Best**. With you, too, it should be **The Best** in rubbers—rubbers that are dependable—rubbers that have more wear in them than the cost to you represents. To obtain **The Best** it is necessary you purchase rubber boots and shoes made by the Wales-Goodyear Company.

In your town the chances are every progressive dealer in shoes sells the Wales-Goodyear rubbers. You can easily tell whether you are buying Wales-Goodyear rubbers by inspecting the sole of the shoe.

If the picture of the bear is imprinted in the rubber then you are sure of the make—**The Best**.

Wise people, seeking protection for the feet, which means a thought for health, insist on wearing the famous rubbers of the Wales-Goodyear make.

Ask for them—Accept no Cheap Imitations.
