

Cure for Liquor Habit

Give Orlino and Destroy All Desire. Sold Under Guarantee.

Orlino is the most successful cure for the liquor habit that the world has ever known. It is a home treatment, given without publicity, detention from business or loss of time, and is absolutely guaranteed if the simple directions on each box are carefully followed. So remarkable have been the changes wrought for suffering drinking men by Orlino that leading ministers, charity workers, philanthropists and druggists everywhere recommend the treatment. Thousands of endorsements have been given for the remedy.

Read this one from the Quaker Drug Co., Seattle, Wash.: "During the past five years we have sold thousands of packages of Orlino, and have never heard it spoken of except in highest terms of praise. We have dozens of people come to us and state that Orlino has cured them, or their husbands, or dear ones from the curse of drunkenness. Orlino is one of the few articles on the market that we can conscientiously recommend to our customers, and we do so daily feeling that we have done what to us seems a duty as well as a service."

Orlino is prepared in two forms. No. 1, a powder, absolutely tasteless and odorless, given secretly in food or drink. Orlino No. 2, in pill form, is for those who wish to cure themselves. Orlino costs only \$1 a box. In every box is a guarantee which entitles you to a refund of your money if Orlino fails to effect a cure. Write for free Orlino booklet (mailed in plain sealed envelope) to Orlino Co., 336 Orlino building, Washington, D. C. Orlino is for sale in this city by Burt H. Wells, Red Cross Pharmacy. They know Orlino is a reliable and efficacious remedy for drunkenness and they will not offer you a substitute.

The attention of the supreme court was occupied all day yesterday with the Orleans county case of John J. Kilby vs. C. L. Erwin. The defendant petitioned for a new trial, as verdict was rendered against him in the lower court. The cause of the trouble was the setting of fire by the defendant on his own property, which spread to that of the plaintiff and burned his sugar orchard. The latter was given a verdict of \$254.30 in the lower court. After the verdict had been rendered, the defendant's attorney moved to have it set aside and later made several other motions, all of which were overruled. The defendant claims that a continuance should have been granted, in order that he might have had time to draw maps of the territory to show how the fire started and the course it took, and that the lower court erred in overruling the motion to discharge the jury, which was asked for because of the improper conduct during the progress of the trial. John W. Redmond is attorney for the plaintiff and Josiah Grant and George W. Young represent the defendant.
