The mowing of the fire alarm whistle this forenoon was caused by the inspector adjusting the whistle. When it was installed on the boiler of the gas plant, the steam pipe which feeds the whistle was connected so that there was a downward draft in it, which allowed water to settle in the pipe. This caused water to be blown into the whistle, and it did not sound at its full force.

### WOMAN MUCH MOURNED.

Mrs. S. C. Carpenter of Groton Died Quite Suddenly.

Groton, Jan. 25.—This community was shocked and saddened to learn Saturday evening of the sudden death of Mrs. S. C. Carpenter, many not knowing of her illness until learning of her death. She had been in her usual health and was out on the street during the morning, but was taken suddenly ill and died at 8:30 in the evening.

Funeral services were held yesterday afternoon at the Baptist church, Rev. S. H. Myers, assisted by Rev. P. Smith, officiating. A large number was present, the house being completely filled. The Knights of Pythias and Pythian Sisters, of which she was a member, attended in a body. The casket was covered with beautiful flowers, among them being noted a plaque of thirty-seven pink carnations, from the father of the deceased.

Gertrude Clark was born in Groton thirty-seven years ago and was the only child of Wallace and Jeannette Donaldson Clark. She married Mr. Carpenter about seventeen years ago. Left to mourn her loss are the husband, one son, Earl, and three daughters, Eunice, Theresa and Winona, the last named aged two, and a half year. She is also survived by her father, Wallace Clark.

Mrs. Carpenter was a woman whose kindness of heart and unselfish nature is seldom equaled. She forgot self in her eagerness to help others. The sincere sympathy of the entire community goes out to the bereaved family.

Those from out of town who were here to attend the funeral were Mr. and Mrs. Curtis Carpenter, Corinth; Mrs. A. B. Carpenter, Barre; Mrs. Albert Bailey, Wells River; Mr. and Mrs. Thomas White and daughters, George Dunnett, Mrs. L. Carpenter, Mr. and Mrs. Chagie and Mrs. Beaton, South Ryegate; Mr. and Mrs. Ernest Talley, Newbury.

### CELEBRATED BURNS' BIRTH.

Scotch Club of St. Johnsbury Held Banquet Last Night.

St. Johnsbury, Jan. 25.—The Scotch club last evening observed the 151st anniversary of the birth of Robert Burns by a banquet at Pythian hall. Covers were laid for 100, and an excellent banquet was served, the menu including Scotch broth, oat cakes and turkey. Music was furnished by the Academy orchestra and Scotch songs by E. H. Mackey were enjoyed.

The usual after-dinner speeches were omitted and instead, Rev. Donald Fraser of Berlin delivered a short address, Arthur F. Store, the president, presided. The executive committee, which arranged the banquet, consists of Joseph Fairbanks, A. H. McLeod, Mrs. James T. Borick, Mrs. B. L. Staples and Mrs. S. C. Currier.

Regular meeting of Vincitia lodge, K. of P., to-night at 7:30 o'clock. Work, rank of knight.

Regular meeting of Iroquois tribe of Red Men will be held to-night at 7 o'clock in Worthen hall.

Card of Thanks.

I wish to express my heartfelt thanks to the neighbors and friends for their kindness and sympathy during the illness and at death of my wife, Annie.

Frank Donovan.

	The above are real bargains, being less than we ever thought of selling desirable goods.	You cannot afford to let one day go by before seeing the above Laces and Braids for they are cheap.

Thursday's paper will give you an idea as to what we have on for this week's sale in our Garment Department.

# The Daylight Store

TALK OF THE TOWN.	EAST MONTPELIER.	Home Pasteurization of Milk.
See the remnants of silk at Perry's.	W. A. Foster is ill with acute indigestion.	Milk is most conveniently pasteurized in the bottles in which it is delivered. To do this use a small pail with a perforated false bottom. An inverted pail with a few holes punched in it will answer this purpose. This will raise the bottles from the bottom of the pail, thus allowing a free circulation of water and preventing bumping of the bottles. Punch a hole through the cap of one of the bottles and insert a thermometer. The ordinary floating type of thermometer is likely to be inaccurate, and if possible a good thermometer with the scale etched on the glass should be used. Set the bottles of milk in the pail and fill the pail with water nearly to the level of the milk. Put the pail on the stove or over a gas flame and heat it until the thermometer in the milk shows not less than 150 degrees or more than 155 degrees F. The bottles should then be removed from the water and allowed to stand from twenty to thirty minutes. The temperature will fall slowly, but may be held more uniformly by covering the bottles with a towel. The punctured cap should be replaced with a new one or the bottle should be covered with an inverted cap. After the milk has been held as directed it should be cooled. To avoid danger of breaking the bottle the water should be warm at first. Replace the warm water slowly with cold water. After cooling, milk should in all cases be held at the lowest available temperature.
Sale winter underwear for women and children at Vaughan's.	George Davis is critically ill with heart trouble.	
The boy will appreciate a new overcoat or reefer. Twenty per cent discount from the Frank McWhorter company.	The annual musical convention will be held here February 23 and 24.	
The next regular meeting of the Y. P. B. of W. C. T. U. will be held in the Fireman's hall Tuesday evening at 8 o'clock.	Timothy Stevens of Needham, Mass., is visiting relatives in town and in Barre.	
	Mrs. Belle Gimstead, who is working at F. P. Townsend's, spent Sunday with her parents at Maple Corner.	
	Arthur Barlett has purchased the Ira Wright farm. Mr. Wright has hired a farm at Williamstown and expects to move about March 1.	
	Mrs. L. C. Leonard of Nashua, N. H., was called here last week by the serious illness of her brother, N. A. Cutler. Mr. Cutler is in a critical condition.	
	There will be a masquerade dance at the village hall Friday evening, February 4. A good time is assured, and it is hoped everyone will mask and by so doing join in all the fun that is due to accompany a dance of this kind.	
	Mrs. E. J. Deion of Woodstock has several old almanacs, bearing the imprint of that town. One is "The Complete Vermont Almanac" for 1829. The weather prophets of that time made their forecasts sufficiently broad to fit the occasion, whatever it proved to be, as the following quotations show: "Good weather for the season if not too wet." "Signs of foul weather, which, however, may not come." "Fine hay weather, if it be clear."	
	Mrs. Mary Hill is spending several weeks at the home of Rufus and Frank Abbott in South Washington.	
	Mrs. Fannie Lyon of Brookfield has been caring for Mrs. Will M. Boyd and infant during the past two weeks.	
	Mrs. Helen S. Annis was called last Friday to Manchester, N. H., by the serious illness of Mr. Annis' sister, Mrs. Rowe.	
	Mrs. Ellen Bixby Clough, who was called here by the death of her father, the late Nevell S. Bixby, returned to her home in Rosindale, Mass., Saturday.	
	Mrs. Fred Daniels returned Saturday from Williamstown, where she had been visiting friends for a few days, and while there was a guest of Superintendent and Mrs. Cassey.	
	Miss Florence Price, field secretary of the women's work in this state, spoke at the Congregational church Sunday morning, her subject being her work and experiences in this state.	
	William W. Braman returned last week from Burlington and reports that his wife is recovering from her recent operation at the Mary Fletcher hospital rapidly and most satisfactorily.	
	After an absence of twelve years, Mrs. Emma Wilson Stearns of New Haven, Conn., arrived last week to visit former friends, and in the guest of Mr. and Mrs. A. V. Whitney, with whom she lived during her girlhood.	
	Mrs. Walter H. Beckwith, who has been caring for Mrs. Newell Bixby for the past three weeks, has completed her service there and returned to her home on the east hill, and her place is taken by P. G. Fletcher of Washington.	
	There are several new cases of measles in town; among the new victims are: Arthur and Willis Hill, and there are two cases at Charles H. Baraw's and two in the family of Charles R. Durfee. One of the cases at Mr. Baraw's is their infant son, about two weeks old.	
	N. D. Blake, a former principal of the North Troy high school and later principal of the Vermont Business college in Burlington, has been engaged by the Manchester, N. H., school authorities to take charge of the commercial work in the high schools of that city.	

# Honest Clothes!

Wool at this store means wool! Remember All-wool Suits do not grow in the back yard of "Mr. Job Lots" at \$6.98 a suit! Cotton grows in Alabama, and the country's shoddy mills are always busy! You'll be sure to get your share of the product, Sir, if you chase up "Bargain Sales" or "Job Lot Sales"—sales, where they claim to sell "\$20 Suits for \$6.98." We've built up our reputation for selling good clothes, the best of clothes, by giving a dollar's worth of value for a dollar, and saying "money back, if you want it." There are no clothes disappointments here. Suits \$7.50, 10.00, 12.00, 15.00 to 30.00. Overcoats \$7.50, 10.00, 12.00, 15.00 to 30.00.

All Overcoats Subject to a 20 Per Cent Discount.
