DO YOU KNOW WHAT IT MEANS?

Most ladies know what it means to buy a new suit, with the idea of having something that is late in design and up to date in style and fit and then when they have got their suit home and are ready to wear it, have your friends tell you it does not fit or it is not the right shape. If we sell you a suit and it gets out of the department without being fitted properly it is a mistake on our part and should returned and made right. Our motto is to NEVER sell a suit that we will not feel proud to see on the street, because of the fit and style.

LADIES' TAILORED SUITS

Our new Spring Suits are entirely different from those of former seasons. You will say when you see them that they are the noblest Suits you have seen for a number of seasons.

The low-cut roll collar gives them a touch of style that is different, and at the same time very neat. The length of coat is just right for summer wear, coming from 30 to 36 inches long.

The plain Tailored Suit in a nice material with linings to match is among the leading values.

Some of them are finished with moor on collar and cuffs, others with fancy weaves in silk, finished with braid.

The new skirts are cut in a variety of plaited styles. Some are cut with plaits around the sides with a dropped-over flounce affect. Others are cut plaited style with self-strapping over hips. But the most popular skirt of all will be the plain, full-plaited skirt.

LADIES' TAILORED SUITS

The above Suit represents one of our popular values of the season. It is made of a fine invisible striped worsted, comes in all colors. Cost is made with the wide, deep revers, three button, with full cluster plaited skirt. Price, \$22.50.

LADIES' WHITE WAISTS

We have just received some new White Waists in extra good values in the season's best styles.

At \$1.00 are three different styles in a good quality Lingerie Waist; are made in the new spring styles, with the new sleeves, and finished with lace and hambug insertion.

At \$1.00 is a fine Lingerie Waist, made fine tucked front and back, with the new sleeve.

At \$1.25 are a number of different styled Waists in the soft Lingerie style. They are entirely new in every way.

At \$2.25 are some new Lingerie Waists made of a fine batiste and finished with muslin insertion.

At \$2.50 is a fine Lawn Waist, made with five rows of fine muslin insertion down the front, with fine tucks below the insertion. Has the new sleeve.

At \$3.00 are a number of styles in the Lingerie Waist. Some are made of all-over muslin, others of fine batiste and finished with muslin insertion.

At from \$3.00 to \$6.50 are some of the best values in Waists we ever have shown.

The Daylight Store

Ask Yourself?

Here's a suggestion! Before you select your wearables for the coming season just look over the situation carefully. Just ask yourself where you are apt to do the best. Ask yourself what store turns out the best dressed patrons—men or boys. Ask yourself what store has the best reputation for selling the best clothes and giving the best values. After the matter is settled, we're sure you'll come here for your clothes.
