# HINTS ON THE SUIT QUESTION

Each new season the weavers bring out patterns more attractive than ever before. This season is no exception. Blues, grays, tans and a sprinkling of green are the predominating ideas in colors. Plain serges in the fine and wide wale, are hard to get away from, as there is nothing like them for service and style. Fancy weaves have been good but not as good as the plain goods. However, one is considered as good style as the other, it is only a matter of choice. We can give you an extra good selection of these garments in both plain and mixed goods.

### LADIES' TAILORED SUITS. LADIES' TAILORED SUITS. LADIES' LONG COATS.

The line of Tailored Suits we are showing this season is the best we have ever had, both as to style, workmanship and materials used.  
At \$15.00 we are putting out a line of Suits that are willing to compare with most Suits that are made to sell at \$18.00 and \$20.00.  
In fact, we spent lots of time in search of these values and were shown many lines of Suits that were made to sell for \$20.00, that were not up to this Suit in style of cloth or workmanship.  
The \$15.00 Suit is made in a variety of the best cloths in novelties or plain serges. It is made in a number of different designs and every coat is lined with a guaranteed satin lining, is full canvas lined, and has a percelline stay across the back, which keeps the cloth from pulling and helps to keep the shape of the coat. The skirts are made in the latest full-plaited styles.  
These are Suits we can get you in a white serge, with any color of trimming, and make a fine white Suit, at \$15.00.  
At \$18.00 is a line of Suits that we consider of more than ordinary value, as you will find among our regular values a few odd Suits that we cannot duplicate that were our regular \$20.00 values. We had much rather sell you these odd Suits at a less price, than size up on the regular lines, as we cannot take specials on them; thus, it keeps our line in better shape. And this makes a good proposition for the trade.  
At \$20.00 we have put into this line a lot of odd Suits from the better grades to close the broken sizes. These are Suits that were extra values at the regular price, but there are only one or two alike, and the cloths cannot be duplicated. We cannot take specials on these cloths, so are going to give the trade the benefit of this line, and at the same time reduce our stock.  
In the better grades, at \$25.00, \$27.50 and \$30.00, are a few odd Suits that we are making a special price on, rather than buy new models. These are Suits that the cloths are closed, but we can get you the same style in other cloths. See them.  
Ladies' Long Coats have been very fast sellers this far this season, and we have had an exceptionally large Coat business. This leaves us with a lot of odd Coats, both in style of make and cloths.  
At \$7.98 are a few Odd Coats, hardly two alike, that are very good values. These are our regular \$10.00 Coats, not all sizes, but if your size is here you can get a good trade.  
At \$9.98 is a lot of odd Coats in the long and three-quarters length. Here are Coats in a variety of cloths and styles that are the best, and are regular \$12.50 and \$15.00 values. Some of them are lined to the waist with a good guaranteed satin lining and are canvassed the same as a suit coat, which give them the shape and style.  
Ask to see our Presto Collar Coat, which is especially good for an automobile Coat and is a dressy Coat, as well.  
Our line of Linen Coats for automobile use is now in, and they range in price from \$2.75 to \$8.75. These have the new Presto Collars and are made in full length.

We are closing out a lot of odd Laundered Waists in white at one half price, only two or three of a kind.
