## A. P. ABBOTT & CO.

**It May Be Interesting to Know**  
what kind of goods we are doing business on today. The following will give you an idea as they will appeal to you as goods needed at this season and prices as low or a little better than the going market prices. It won't cost you a penny to see what they are like and to judge for yourself if they are your kind.

### LADIES' HAND BAGS.

This is the largest and best sale of Ladies' Handbags that we have ever held. In fact, we made a purchase in Boston a few days ago, whereby we are selling a good \$125 Handbag for \$1.00, and a very large, well-made Bag at 50c. As these are both specials, the sale will be short.

This line of Bags runs from 50c up to \$4.75. At \$1.50 you will get a special value, and at \$2.75 is a leather-lined Bag with a beautiful outside, good enough to show anyone.

We are making some very low prices on Ladies' and Gents' Traveling Cases, selling a good straw Case, full size, at only 98c, as good as our last season's Case at \$1.50. One lot is all that we shall have this season.

Did you know that we carried in our basement a good assortment of Ladies' and Gents' Trunks, and are selling lots of them?

Now is a good time to buy your Regal Shoe, while the styles are new. The sizes are all here and the prices are not advanced as they will be in the fall. Let us fit you to the best Shoe that you ever wore at the price—\$3.50.

### AT SPECIAL PRICES.

There are always on our bargain table some very good trades. Just now there are several, such as C. T. N. Embroidered White Curtain Muslins. These are 12 1/2c values, just this one lot, at 10c per yard. No more at this price.

One lot of fine grade yard-wide Percale in dark colors, such as reds, black and white, brown and cadet blue, now at 10c. Light colors at this price are easier to get. It is very hard to get dark colors in a fine grade to sell at 10c. Nothing short of a sale price does it.

Several patterns in best Gingham; in these are plain colors, now at 10c per yard.

One lot of Printed Curtain Serim, a regular 18c or 20c cloth, now at 15c, as advertised. No more at this price.

Ask to see colored Indian Heads, the best cloth in our store at the price, 15c. For ladies' wash suits and boys' waists.

### WASH GOODS.

Ask to see Princess Dimities at 12 1/2c per yard; also Batiste, with small figures at same price.

Gerrard Poplins come in all colors, in both plain and stripes, for ladies' wash suits. They are a little the best of anything in our store. They have a mercerized lustre that makes them imitate silk poplin. The price is but 25c per yard.

Our spring line of Scotch Gingham is showing up as great values. They are a cloth that wears well and washes well. All grades this season at 25c per yard.

We have a 27-inch Silk, called the Shantora, so made as not to pull at the seams, and it comes in all of the new popular shades, at but 50c per yard. Ask to see this special kind.

See Silk in small spots, one of our very best trades. See these on our tables at 25c per yard.

You will find in our Muslin Underwear Department very many tempting values in Corset Covers, Drawers, Skirts and Corset Cover and Skirt Combinations.
