Why Is This Thus?

Why is it that
Your coat loses its beautiful lines after it has been exposed to dampness?
Your lapel bulges up on one side?
Wrinkles form down the front and across the back?
Shoulders develop humps in unsightly places?

It is because
that same beautiful coat which made you look so fine when you paid for it was faked into shape with a hot flat-iron.
You can't tell the difference between a coat that is shaped by painstaking needlework, or by the hot flatiron, which costs practically nothing, unless you try a Rosman Made Suit.
You are protected from this kind of trickery when you wear a Rosman Union Made Suit. We invite you to try them. All latest styles and shades. Prices from \$10.00 to \$25.00
