

FIGHT GOES TO NEVADA

Announcement Made Today by Tex Rickard

THE PLACE IS NOT NAMED

But It Is Expected That Reno Will Be the Choice. Governor Gillett Complimented by Carnegie.

San Francisco, Cal., June 20.—Tex Rickard has formally announced that the Jeffries-Johnson fight will be held in Nevada the fourth. He declined to say what city, but it is expected that it will be Reno. Rickard left today for Nevada to meet men from Reno and Goldfield, who are all pulling for the fight.

Sacramento, Cal., June 20.—Telegrams from all over the country have come to Governor Gillett, congratulating him on stopping the fight. Among them was the following from Andrew Carnegie: "Clemens (Sutherland) Scotland. Cordial congratulations upon saving your lovely state from disgrace. Our whole country is your debtor."

ROOSEVELT OVERWHELMED BY CORRESPONDENCE

Oyster Bay Post Office Authorities Unable to Handle It Unless They Get Help—Much Will Never Reach His Eyes.

New York, June 20.—President Roosevelt was in the Outlook office today, overwhelmed with thousands of letters, which have accumulated, and hundreds are arriving hourly in a great mass. This correspondence will never reach his eyes. "While appreciating the good intentions of people writing," said Roosevelt, "I would be glad if the United Press would say the volume of correspondence makes it impossible for me to give it my personal attention. I am sure my friends will understand that I can't answer and it will be a kindness for well-disposed strangers to refrain from sending letters or telegrams to Oyster Bay, to avoid making waste."

Oyster Bay, June 20.—A week last night when Roosevelt returned from a walk of several miles with Mrs. Roosevelt. He spoke a group of interviewers waiting for him and headed for them.

"Not one word to say," he began, before a question had been asked. "If I received you, it would mean that everyone would come here and I should have no peace or privacy. I shall be at my editorial office in New York twice a week and any statement I have to make will be given out there."

He passed to survey the expanses of grassy slopes that stretched as far as the eye can reach from his home on the crown of Sagamore hill. There was not a sound to be heard except the splashing of his children on the veranda and the spluttering of a motor boat in the bay. The contrast with the tumult of the last few months seems to please him and he said he hoped to spend his private life wholly that he might have a true rest for the summer.

HONOR OF ALMA MATER

President of Middlebury College Urges Graduates To Keep It. Middlebury, June 20.—Upon the 21st verse of the eighth chapter of the Epistle of St. Paul to the Romans. "The generous liberty of the children of the Lord." Dr. John M. Thomas, president of Middlebury college, yesterday based his lecture sermon, which was an eloquent appeal to the members of the graduating class to keep the honor of their alma mater. President Thomas' address was in part as follows:

Your alma mater sends you forth to win mankind, freedom in a world of old time slaveries. Your graduation is not your admission into the realm of liberty, but only your initiation into the fight for it.

OFF ON THE ARCTIC

Expedition Started from Boston Yesterday on Hunting Trip.

Boston, June 20.—Per held filled with United States for the igloo builders of the Iron north, and cabins decorated with big game skins and an abundance of ammunition, the steamship Beothic, chartered by Harry Whitney of New Haven, Conn., and Paul J. Rainey of Cleveland for a hunting expedition in the Arctic, sailed from pier 2 of the New Haven docks in Boston yesterday.

The Beothic is chartered in the name of Mr. Rainey and the expedition is called the Rainey hunting expedition. Speculation as to whether Mr. Whitney would recover Dr. Cook's records at Etah remained unshaken by the last word of Captain Bartlett, who said, with a smile, "We probably will not bother to take the time to hunt up Cook's records."

The crew is a seasoned one in the Arctic and the ship is sheathed with two-inch steel plates to withstand the ice pressure. An immense quantity of supplies has been put aboard for trading with the natives and for the consumption of the expedition and crew. Among the supplies were twenty barrels of sugar, ten barrels of condensed and 400 pounds of tobacco.

Clean-up papers were taken out for North Sydney, C. B., where the Beothic will take on bunker coal.

\$25,000 ADDED TO BARRE P. O.

An Increased Appropriation in the Omnibus Bill

IS REPORTED FAVORABLY

Other Items of Interest from Washington Correspondent Regarding Vermonters Temporarily in the Capital City.

Washington, D. C., June 20.—The bill appropriating an additional \$25,000 for the purpose of constructing the new federal building in Barre of granite passed the House this afternoon. It was part of the omnibus public buildings bill and came from the committee on public grounds and buildings on Saturday. Congressman Pinnley had hoped that he would be able to keep the amount at \$25,000, and in this he was successful. This is \$5,000 more than it was thought he could get at first.

The Barre bill was handled by a subcommittee, of which Congressman Burleigh of Maine was chairman, and before this subcommittee came all the items for buildings in New England. Another item in the bill, of interest to Vermont and for which Congressman Foster was sponsor, was a \$75,000 appropriation for a federal building in Bennington.

Just as the House was about to vote on the bill allowing a pension of \$100 a month to Mrs. Howard of Burlington, Congressman Foster, who was fighting to maintain the amount just as recommended by the Senate, instead of submitting to the vote to \$50, as recommended by the chairman of the House pension committee and other prominent leaders of the House, was approached by a southerner, Congressman C. M. S. GRADUATES HEAR FINE SERMON

Principal Bishop Opened Commencement Week at Montpelier Institution Yesterday Morning.

Dr. E. A. Bishop, principal of Montpelier Seminary, delivered the commencement sermon yesterday morning at Trinity church in Montpelier, the members of the graduating class and the juniors attending in a body. Mr. Morse and Walter Tombs acted as marshals and a chorus from the church rendered several anthems during the service.

Dr. Bishop took his text from Acts 26:18—"Rise and stand upon thy feet; for I have appeared unto thee for this purpose, to make thee a minister and a witness both of these things which thou hast seen and of those things in which I will appear to thee." In brief, Dr. Bishop's sermon was a call for service. The times of inactivity and the idea of showing loyalty to God by remaining merely in a receptive mood with hands outstretched to heaven are forever past and more is demanded of present day Christians than that. There is need of positive and prayer, but there should rise out of these things manly and womanly Christian living, an uprightness of character. Paul was called on persecuting the church to be one of its most active supporters, and when the light shone down upon him on the way to Damascus, he was not displeased to the heavenly vision. His path of duty was not easy, with stoning and stinging lashes, but it was for him a path of joy, because it was God's way, and as such, though the path at times may be hard, it should still be a path of joy. Paul's was no uncertain message and so to-day men must know whereof they speak.

As in school the pupils accept certain principles of science and abide by them, so, it is to be hoped, certain spiritual laws have also been accepted. People of these principles are needed in public life and will find a ready welcome there and the call for men who will not swerve from the path of duty was never greater than at the present time. Men are beginning to take the teachings of the Bible as a guide to public as well as private life and the call to service comes to men and women as of old. Jesus Christ calls us first of all to minister, to bear witness and to defend the truth. Dr. Bishop closed with these words to the graduating class:

"Class of 1910, I congratulate you upon the work which you have done sometimes at great sacrifice. You have formed in a measure habits of study. The great teacher will teach you if you will let him. He will speak to you as he did to Paul, not let us hope in acquiescence, but as a revealer of truth. Let us feel as Paul felt when he said, 'The hand of the Lord is upon me.' God will not ask you to do anything you cannot do. That word minister translated means 'assistant.' As Jesus used to mean a 'servant.' As God's assistant you cannot fail. You may not be called upon to sacrifice your physical life but your service is demanded of you. God bless you."

CLOSE COMPETITION FOR STATE PRINTING

Nine Separate Concerns Presented Bids, Which Were Opened Saturday Afternoon—The Successful One.

LARGE CLASS CONFIRMED

By Bishop Rice on His First Visit to Barre.

A MEMORABLE OCCASION

St. Monica's Church Was Crowded for the Exercises and There Was Dedication at Catholic Cemetery During the Day.

Sunday was a red-letter day in the history of St. Monica's church, the occasion marking the first visit of the Rt. Rev. Joseph J. Rice, newly elected bishop of the diocese of Burlington, to the parish. The bishop celebrated mass at the 8 o'clock service, and presided over mass and delivered a sermon at 10:30 in the morning. In the afternoon, assisted by Revs. P. M. McKenna and E. C. Fontaine of this city and Rev. J. Turcot of Granville, he officiated at the blessing of the new cross in the Catholic cemetery on Buckley street. A large concourse of people was present to witness and take part in this impressive ceremony.

Perhaps the most distinctive service of his visit, however, was last evening at eight o'clock when the rites of confirmation were administered to 206 candidates, one of the largest classes in the history of the parish. The altar was tastefully decorated for the occasion, and a throne had been erected for the bishop. Dr. J. W. Stewart and Miss Clara Louanger acted as sponsors for the candidates.

ALL DARK THINGS NOT BAD

Said Rev. E. G. Downey in Speaking of Secret Societies.

Nearly fifty members of Vincitula lodge, No. 10, Knights of Pythias, marched in a body to the Universalist church Sunday morning, where the pastor, Rev. Edward C. Downey, delivered the sermon. Mr. Downey took the text for an excellent discourse from Luke 12:3, which reads as follows: "That which ye have spoken in the ears, shall be proclaimed upon the house tops."

The temple of Isis at Rome, and others, were all secret places of worship. It was the Teutonic knights who went into pagan Germany and secretly revealed the religion of Christ to the inhabitants, and so on down through the pages of history, the secret society has been the agency of truth. The secret society is possessed of a two-fold power, first, the preservation of truth, and secondly, the recognition of the necessity of individuality. The secret, he said, is not in the badge or emblem, or garment of the society, but rather, in the spirit, not the shade of life, of the true interpretation of life spelled out in the participation of knowledge of this or that order must come for nothing if there is not initiation to accompany it.
