GREAT DEMAND THIS SPRING FOR TENEMENTS, especially in south and easterly sections of the city, also nearly all houses built for homes the past year were built in this section of the city. I have lots on many desirable streets and mostly in eastern section of city, on Hill St., Ayer St., Kirk St., Quarry, Circle, Camp, Tremont, East, Currier, Grandview, Long St., any of which I will sell at as favorable prices, or more favorable than equally as desirable lots can be had elsewhere. If you were to buy a cow you would usually see a party who had many for sale, rather than buy a man's only cow. Take a walk during the next day or two, visiting above streets. Notice they are our best streets and lots well elevated. No fear of surface water or floods.
