"The Champion of the Race," an automobile race picture of merit, with a love story running through it, involving a girl, a soldier lover, a rich suitor favored by the father and other complications which usually beset Cupid's devious pathway. However, the girl is equal to the emergency, and by setting her objection father and suitor adrift in a boat and winning an automobile race, in which her father was interested as a contestant, she wins his consent to marry her soldier lover. There is a dash and spirit to this picture that makes one wake up when it is shown, and the audience applauds the girl winner, even as the crowd at the track applauded her. The episode of the boat and the badly soaked James is mildly amusing, even though it suggests such a grewsome thing as it does. At the popular Dreamland to-day and tomorrow.

## GREAT DEMAND THIS SPRING FOR TENEMENTS,

especially in south and easterly sections of the city, also nearly all houses built for homes the past year were built in this section of the city. I have lots on many desirable streets and mostly in eastern section of city, on Hill St., Ayer St., Kirk St., Quarry, Circle, Camp, Tremont, East, Currier, Grandview, Long St., any of which I will sell at as favorable prices, or more favorable than equally as desirable lots can be had elsewhere. If you were to buy a cow you would usually see a party who had many for sale, rather than buy streets. Notice they are our best streets and lots well elevated. No fear of surface water or floods.
