ST. JOHNSBURY.

Miss Anna Bailey Died Recently In Home of Her Niece in Florida.

Miss Anna Bailey of East Barnet, who went last October to spend the winter with her niece, Mrs. B. K. Sloggy, died last Thursday at Lake Helen, Florida. Her sudden death was due to heart failure following an attack of la grippe. She was fifty-five years of age, and had spent the greater part of her life at East Barnet. She leaves a brother, Charles Bailey, of East Barnet, and a sister, Mrs. A. A. Annis of St. Johnsbury. The remains were sent from Florida and arrived at Inward yesterday. Funeral services were held at her home in East Barnet this afternoon.

Raymond Ward, formerly of St. Johnsbury, now of New York City, has been called home recently on account of the illness of his brother. He will return to New York sometime in December, where he has employment as book-keeper for the Vermont Marble company.

A county Sunday school convention will be held at St. Johnsbury on December 8, at the Railroad street Baptist church. President of the county association, Arthur F. Stone, will have charge of the convention. The several county workers will be on hand, also two state secretaries. The convention will be addressed by Dr. H. A. Durfee, and Edith M. Hatch of Burlington, Mrs. F. S. Perry of Brattleboro, and Spencer Eddy of Boston will also give addresses. Miss Balch is at present conducting a canvass of the Sunday schools of the county, being engaged in this county about four weeks.

The St. Johnsbury Republican has just emerged from a most successful subscription contest. The contest closed last week and the tabulated results show that 25,000,000 votes were involved. Of this number Hartwell Moore had 3,000,000 and won as a prize a new Brush automobile. Those in second place were given each 850 diamond rings. Winners of these prizes are Miss Nora Buckley of Lyndonville, Miss E. S. Woodard of Danville, Miss Ethel McGill of Passumpsic, John G. Chaplin of North Concord, and Dr. Aldrich of St. Johnsbury. Winners of the third prize were given valuable pieces of furniture and those of fourth prizes, sets of dishes.

NORTHFIELD.

Death of Royal Clark Removed Long-Time and Much Respected Citizen.

Royal W. Clark, a resident of this place for more than 60 years, died on Wednesday last week, after a long period of failing health. He was born in Thetford, November 6, 1837, the son of Smith and Adeline (Waterman) Clark, and was one of ten children, only three of whom are now living. Mr. Clark married Katherine Briggs July 1, 1860, and 11 children were born to them, six dying in infancy. Mrs. Clark died May 31, 1884, and September 19, 1885, Mr. Clark married Ellen Benson, the sister of his first wife. She survives him with three sons and one daughter, also a step-daughter. Mr. Clark spent nearly his whole life in this town, coming here at the age of 12 years. In occupation a farmer, he found time to hold many offices of trust in town, and was several times nominated by the Democratic party as representative from Northfield, never, however, being elected to the place. The funeral was held Sunday at the Universalist church, the pastor, Rev. G. F. Fortier, officiating. A quartet from the Montpelier lodge of Odd Fellows furnished music, and Northfield lodge, I. O. O. F., attended in a body. Interment was in the Center cemetery.

The engagement is announced of L. Bernard Stebbins, N. U. '02, son of Mrs. Carrie Stebbins, formerly of Northfield but now of New York City, to Miss Natalie, only daughter of Mr. and Mrs. J. W. Thorne of that city.

E. C. Getchell Must Wait for River to Freeze Before Moving House.

The Montpelier city council held its regular meeting Wednesday evening, with the full board in attendance. Several licenses and permits were granted and the request of E. C. Getchell for permission to move a building on State street was refused, as it was found that at one point the street is but one foot wider than the house and traffic would be tied up. He will have to wait until the river freezes over and move the building upon the ice. A warning was called for the holding of a city meeting December 6, at which time it will be decided whether the city will issue no over \$100,000 for the purpose of building schoolhouses and buying land for playgrounds. This opens the whole school matter again, as the city has once selected a site and repudiated it and once refused to issue the bonds.

A son was born Tuesday to Mr. and Mrs. James Taity of Hillside avenue.

It has been learned that Ernest Brothers, who tried to commit suicide in the Plattsburg jail, last he is sentenced to life imprisonment for alleged forgery, obtained the poison in St. Albans, where he was arrested, and kept it concealed. He is recovering.

That M. A. Nelson puts his automobile to practical use on his farm will be testified to by those who saw him bring in a load of logs in it Wednesday, which he delivered to H. O. Kent. Large numbers of the farmers in the West use automobiles extensively in their farm work.

Mrs. Eliza Constock was installed as warden and Irvin L. Henson as vice warden at the regular meeting of Montpelier lodge, N. E. O. P. last evening by Judge Scott of the Barre lodge, who is district deputy grand warden. After the installation, a program was rendered and dancing enjoyed.

The inmates of the Washington county jail, which number 25, enjoyed a Thanksgiving feast yesterday, as well as the inmates of Heaton hospital, and the well-to-do remembered well those less able to supply their homes with those things which go to make the day one of happiness and pleasure.

As usual, the attendance at the Thanksgiving services in the churches yesterday was small. Rev. Dr. Flint preached at Christ Episcopal church, where communion was celebrated, and a union meeting was held at Bethany church, the sermon being preached by Rev. L. J. Bamberg, pastor of the Baptist church.

The number of telephone subscribers in Montpelier is steadily increasing. April 1, 1900, there were 459 and April 1, 1910, 1,326. Three hundred and eighty-one lines are now connected with the local board, while it will take care of 680 lines with the present equipment and the ultimate capacity is 1,500 lines.

The golden wedding anniversary of Mr. and Mrs. William Cooper, which was observed yesterday at their home in West Berlin, was a very pleasant event. The Thanksgiving dinner was held in the ladies' aid hall and about 45 relatives and guests were present. Mr. and Mrs. Cooper were presented a purse of \$147.50, besides a mantle lamp, silver ware, hand painted china and embroidery. In the evening, an informal reception was held in the hall, which was open to the public and was largely attended.

Mrs. Ann Dillon, who would have been 80 years old next month, died Wednesday at the home of her grandson, John Dillon, in Wrightsville. Mrs. Dillon came from Ireland at the age of 16 years and lived at East Montpelier until a few years ago, when she went to make her home with her grandson. A daughter-in-law, Mrs. Jane Dillon of Montpelier, and five grandchildren survive her, Edward W. and Ernest F. Dillon of Montpelier, John Dillon of Wrightsville, Mrs. Charlotte Berry and Mrs. E. R. Plaisted of Montpelier. The funeral was held this afternoon from her late home, Rev. H. A. Flint officiating, and burial was in the North Branch cemetery.
