To Newly Married Folks

It is to those who have shuffled off their mortal coil of single blessedness that we address ourselves to-day. It is to their sense of the economical, to their appreciation of the elegant and the good things in house-furnishings that we wish to appeal. We know that we are in a position to help you materially on the economical side, and a casual glimpse into our great store, filled to its utmost capacity with good equipment for your new home, will convince you that we possess the elegant and substantial things. Young man, if you have just been married, or are just about to be, come in and look around a bit. Bring the girl with you, for it's a ten to one shot that she's got a better idea of what's wanted in the newly made nest than you have—and, anyway, what's to be bought. Bring her in, we say, and let some of us go through the store and show you how cheaply a house can be furnished throughout by this store.

But the actual worth of every rug can be fully appreciated in one way only—

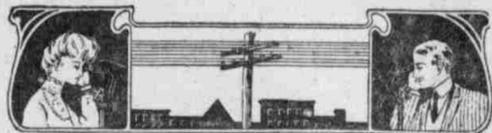

First: By Seeing the new patterns and colorings, and **Second: By Comparing** with the trade estimate and these prices.

A short time ago Mr. Wells of the Red Cross pharmacy received a letter from the American National Red Cross society, asking him if he would cooperate with them in the prevention of tuberculosis. All that was asked of him was to go to one of the moving picture theatres in the city and urge the management to secure and run the Edison picture, entitled, "The Red Cross Seal." The Pavilion was chosen. Owing to the tremendous demand for the picture, it was impossible to secure it until Feb. 8, to-day, and then only for a limited run of two days. Therefore it can be seen at the Pavilion to-day and to-morrow. Everyone is urged to attend. The picture is not a dry medical treatise, but a powerful dramatic story that brings moisture to your eye and leaves a smile of gladness on your lips. At the same time, it teaches a powerful lesson on the proper method of living; how to prevent the terrible white plague; how to live should one be so unfortunate as to be afflicted with it. It also shows the great good done by the Red Cross seal and the Red Cross society.

A Large Showing of Spring House Dresses

We have just received a large invoice of Ladies' House Dresses in the spring models. Every season there seems to be a greater demand for ready made Dresses. This season you will find some of the best values in these ready made Dresses of any season. The values we have just received are made in the best of style and of a material that will stand the test. Here is a line of Dresses that are made in the best of shape and have the style of the more expensive qualities. You cannot afford to spend your time sewing when you can get a Dress with so much style and so good a quality at the price.

SPRING HOUSE DRESSES

This line of House Dresses should appeal to those who want a good Dress that is made as you would make them at home.

At \$1.25 is a Blue and White Striped House Dress; is made of the best Sea Island percale; is made one piece, with belt effect; closes down front, with pockets.

At \$1.50 is a Blue and White House Dress; is made of Sea Island percale; opens down side of front; has a low collar and belt effect; is finished with a piping of white and large white pearl buttons.

At \$1.25 is a House Dress made of a plain blue gingham; is made with a detachable collar; has a plaited yoke piped with white; has plain belt effect, piped with white.

At \$1.50 is a Blue and White Percale House Dress. Is made with a high collar; has a plaited yoke, piped with a bias piece of same goods, finished with plain white; is a good value.

At \$2.00 is a House Dress made of a plain blue and white striped seersucker gingham; is made with a plain round neck, finished with a bias band of same goods; is finished down front and belt with bias strip of same goods; see this value for \$2.00.

SPRING HOUSE DRESSES

When you can buy well-made House Dresses at these prices, you had better be out getting the pure air than in the house sewing.

At \$2.00 is one of the best values we have shown; Dress is made of a plain blue chambray gingham; has white solid embroidered front of yoke; has a wide stitched plait down front of waist and a good width tucked belt, very pretty skirt, all piped with white.

At \$2.50 is a fine Plaid Gingham House Dress; is made with a white all-over yoke, collar and cuffs; is finished around yoke, belt and top of flounce with plain chambray gingham; is an exceptionally pretty style.

At \$2.50 is a House Dress made of a small broken check gingham, with a light stripe effect; is made low neck with a white pique collar and yoke; waist part is embroidered in front with a very neat design; opens down back.

If you want a good House Dress, see these values before the line is broken.

LADIES' SUITS AND COATS

We still have a few extra good values left in Winter Suits and Coats. These are marked so low that a few more days will close them out.

If you want a good medium weight Suit, see the values we are putting out at half price and less. Here are Suits that sold at from \$15.00 to \$35.00, now to close at one-half price, and these are just as good Suits as we can buy to sell at the regular price.

If it is a Wool Dress, there are a few of these left that we are closing at one-half price. This means you can get a good Dress at from \$5.00 to \$10.00. Worth double that amount.

In Ladies' and Misses' Coats there are still some good things left. These are selling at one-half the former price to close.

At one-half the original price are a few Children's Dresses in wool. These are in sizes such as 8, 10 and 12 years. See them.
