

# Regarding Standard Patterns

They are up-to-date in design, yet simple in construction. You will never be puzzled to know how to put a Standard Pattern together. Their system of seam allowance makes it easy to adapt Standard Patterns to the different figures. A pattern free with each copy of the Standard Design for Spring, 20c copy. ## What's In A Name?

When it comes to kitchen cabinets, there is a whole lot in a name—other things we don't intend to talk about. All there is in a name as applies to kitchen cabinets, is contained in the one name

### "Hoosier"

Most kitchen cabinets claim to be convenient. Yet every claim to convenience is based on some feature which already existed in a Hoosier.

Most kitchen cabinets claim to be sanitary, yet the Hoosier Kitchen Cabinet is the only cabinet in which the pure aluminum table top and rust proof metal parts, combined with automatic self-cleaning bins and dust proof doors, protect your food from every possible contamination.

Most kitchen cabinets claim to be well constructed. Yet the Hoosier Kitchen Cabinet is the only kitchen cabinet which the merchant can take completely apart, so that you may inspect the most inaccessible points and corners.

A comparison will prove to you that there is only one really high class kitchen cabinet in the world. 350,000 other women have already proven this to their own satisfaction. It will pay you to investigate now.

A Hoosier Kitchen Cabinet will save you one to two hours of the hard part of your kitchen work every day.

## Are These Values Worth Looking Up?

We are going to give you a chance to buy a Coat for yourself or for the young lady at about the price of the lining. Those of you who got some of the values we put out last week will realize what we are to give you in this the last chance to get a Winter Coat, as three days will entirely close the line. When you look over the prices you will wonder if there can be anything but the lining at the price we ask. We are not going to show you old Coats next season if we can make the price small enough to close them now.

### Ladies' and Misses' Winter Coats

You cannot afford to run the chances of going cold the rest of this winter, when you can get a good Warm Coat at the prices we are making on these odd garments.

These are Garments that run in sizes from 13 to 20 years, and from 32 to 43 bust measure, and were good values at the original prices.

At 98c are two Coats in sizes 13 and 14 years. These are good Wool Coats that sold at \$4.50 and \$7.50.

At \$1.98 are four good Wool Coats in sizes from 12 to 17 years; are a good warm Coat, self-lined. The regular price of these Coats was \$10.00.

At \$2.98 are two fine Broadcloth Coats in a full length, lined throughout with a guaranteed satin lining. The original price was \$15.00 and \$20.00.

At \$3.98 are ten Coats in sizes from 12 years to 40 bust size. These Coats are made in broadcloths, chevrons and mixtures, and were priced from \$10.00 to \$18.00. You cannot lose much money here, but you can get a good garment at a little price.

### Ladies' Winter Coats

In this clean-up sale we are not giving you old undesirable garments, but good desirable Coats and the most of them are this season's goods.

At \$4.98 are eight in colors and black. These are Coats that sold at \$12.00 to \$20.00, and were good values at the first price. The price asked will not pay for the linings.

Among this lot are three Black Coats in sizes 38, 41 and 43. These are the odd-sized Coats, made especially for stout ladies. Were \$14.00 and are made of a fine quality broadcloth; are lined throughout.

At \$5.98 are seven Coats in sizes from 12 years to 38 bust. There are two blacks, other colors, and two mixtures; are Coats that sold at from \$15.00 to \$25.00.

At \$7.98 is one heavy Black Coat in size 20 years. This is about a 38 size; is a long Coat, self-lined, and is a good value at the regular price, \$20.00.

If you want a good Coat at a small price, do not wait, but see these values at once.

### Ladies' Black Coats

We have a few odd Black Coats in sizes no two alike. These are Coats we cannot duplicate; are just as good style as any others we have, but there is only one of a size or kind. We are anxious to close them at once.

These Black Coats are values that sold at from \$10.00 to \$40.00, and are values we could not duplicate at that price.

This lot of about a dozen Coats we are putting into this clean-up sale at just one-half the original price. Here is a chance to get a good Black Coat in a good style at from \$5.00 to \$20.00, only one-half the original price, and they are the season's best-styled Coats.

At one-half price are a few Colored Coats in ladies' sizes—Coats we can give you in sizes up to 38 bust measure.

At one-half price are a few Children's Coats in 10 and 12-year sizes; are extra good values.

We have a few small sizes in Colored Coats that we are closing out at one-half price; sizes from 1 to 5 years.

## The Daylight Store

### Trunks, Bags and Suit Cases

We carry the most complete line of the above goods in the city and at right prices.

Trunks from \$3.50 to \$20.00. Bags from 60c to \$15.00. Suit Cases from \$1.00 to \$12.00. Whatever may be your idea for anything in this line we think we can meet it. We always have in stock all sizes in Steamer Trunks, Matting and Cane Suit Cases, and we can procure for you, in a few days any novelty in the above lines.
