Globe-Wernicke

"Elastic" Bookcases

We ask your verdict on a sectional bookcase known as the "Elastic" kind made by **The Globe-Wernicke Co., Cincinnati.**

We believe that the kind of furniture for which there are repeated demands, year after year, establishes excellent proof of its uniform reliability.

Globe-Wernicke "Elastic" Bookcases have been on the market longer than any other sectional bookcase made.

We sell them at the same price as the factory—and in any finish listed in the catalogue.

Mechanical Features

Globe-Wernicke "Elastic" Bookcases are made in sections or units—a Top Unit, a Book Unit and a Base Unit.

All **Globe-Wernicke Book Units** are fitted with disappearing glass doors that are controlled by a patent equalizer that centers the action, so that the door rides absolutely free and easy.

All **Globe-Wernicke Units** are provided with metal interlocking strips which secure and maintain a perfect alignment.

All **Globe-Wernicke Units** are of solid and not knock-down construction, so that it is possible to remove a unit with books intact.

All Standard Patterns of **Globe-Wernicke "Elastic" Bookcases** are made in both full and three-quarter lengths—34 inches and 25½ inches outside respectively.

For Standard Size Law Books—ask for C 11 size book sections, U. S. Revised Statutes, require D 12 1-4 size. See Catalogue. Copy on request.

TO OUR CUSTOMERS AND PATRONS

Ever since we were installed in our new plant, we have had a desire to have our customers inspect our plant equipment and facilities for handling dairy products, but accidents and circumstances have thus far prevented any special effort to this end.

Now we extend a special invitation to every housekeeper purchasing milk from us, or some other representative of the family, to meet here Saturday, March 4, at 1 o'clock p. m., to look over our plant and machinery and then enjoy a free ride and visit to some of the high-grade dairies supplying us with milk. We earnestly hope there will be a representative from every family among our patrons. Come and see a modern refrigerating machine and other modern dairy machinery.

We desire all our customers to consider this a personal invitation and favor us with their presence.

Sincerely yours, L. B. Dodge, 300 North Main street, Barre, Vt., Tel. 233-3.

In case of storm, the ride will be postponed.

There will be a special communication of Granite Lodge, No. 35, F. and A. M., this (Friday) evening at 7 o'clock. Work, F. C. degree. Per order W. M.

THE SEASON'S STYLES WELL ASSURED

The season's styles in coats and Suits are fairly well assured. The coats cut on straight lines, with but little flare around the bottom will be the best sellers this spring and summer. The long slender lines in vogue at the present time are no doubt responsible for the continued popularity of the shawl collar or the long revers. The style of sleeves depends largely on the character of the garment. In the Plain Tailored Suit or Coat the regulation coat sleeve is considered preferable. While blues will be very good, the light shades will be very strong.

The New Tailored Suits

The Junior Suit is becoming more popular every season. These are Suits that are made on the same general lines as the ladies', only having the short skirts and a little shorter coat. These Suits we have in a variety of cloths and styles.

At \$12.00 is a new spring Suit in junior size; is made in one of the new styles and of a fine, all-wool serge. Comes in all colors; is finished with braid.

At \$15.00 is another line of popular Junior Suits; are made of a fine serge in all colors. There is the plain tailored Suit, and others are made with the plain sailor collar and cuff, or black and white shepherd-check goods.

At \$16.50, \$20.00 and \$22.50 are some very nobby numbers. These are made of serge and novelty goods, in a number of very popular styles; sizes 15 and 17. These are a popular small Ladies' Suit.

Ladies' Spring Suits

Every indication in the world of fashion points to a big spring Suit business. There is a radical change in style of coat, and a change that is well liked for spring and summer wear.

Although the suit coat is shorter, they carry a certain amount of style that is sure to meet with great favor.

At \$15.00 we have the best values in a Ladies' Suit we ever put out for the money. Same is made in one of the best styles and of a fine all-wool serge, and lined with a guaranteed satin lining.

Our line of Suits at \$18.00 is very strong; never were we able so early in the season to show the trade so complete a line of the popular Suit values.

At from \$20.00 to \$40.00 we have a very good display of these very attractive Suits. In the better Suits we have only one or two of a style, thus giving you an exclusive value.

Ladies' and Misses' Long Coats

The Long Coat will be just as popular this season as ever, the light shades and blues being very good.

The demand for so many light dresses calls for the Long Coat, which covers the dress entirely. Our early showing of these popular Coats is the largest and best we have ever shown.

For small ladies, we have the Junior Coat, which comes a little shorter than the regular ladies' sizes. These range in price from \$7.98 to \$15.00.

If you want a nice, nobby Spring Coat, you should see our line of the popular new Coats. The line is made up in a variety of the new cloths, and in the season's best styles.

At \$10.00 is a line of Coats that are made up in the season's best styles and at extra good values at the price.

In these new Coat values we can give you a large variety of plain and mixed cloths, in all the popular spring styles, priced from \$10.00 to \$25.00.
