The new program, which came to the Pavilion yesterday was a winner. Both acts of vaudeville are highly enjoyable and the pictures were excellent. Musical Buskirk Co. have a number of surprising avil chorus, in which, by the aid of electric effects, showers of sparks are produced, making a very pretty finish to the act. This and a number of comedy musical novelties, which are really clever, make up one of the best comedy musical acts ever seen at the Pavilion. Gilbert and Fisher, the comedy cyclist, are also excellent. They present a series of difficult cycling stunts, singing and tramp comedy, using all sizes of bicycles, some of which were made for comedy purposes only. Both reels of pictures are highly pleasing, making a program of vaudeville and pictures that is bound to please all.
