ANNOUNCEMENT. After several unsuccessful attempts to purchase a milk route in Barre, we have decided to retail milk and cream on and after Monday, Oct. 2. We understand the care of milk and cream, as we had the management of the Morrison Farm and milk trade four years previous to Oct. 15, 1905. We were also in the employ of J. B. Dodge for a time. For the past five years we have sold our milk for the retail trade most of the time. Our herd consists of young, healthy stock and are mostly grade Jerseys. We are remodeling our barn and purpose to have a sanitary and up-to-date plant. By using the best of goods and close attention to business, we hope to merit a share of the public patronage. Fairview Farm, Tel. 286-21. Thad. T. Martin, Fred. A. Martin, Proprietors.

RAMPARTS AND BULWARKS ARE POWERLESS AGAINST A SUBTERRANEAN MINE. The average buyer of clothes knows nothing of the intricacies of cloth manufacture, and is defenseless against the rank adulteration in worsted fabrics. Bewildering advertisements, couched in surprising language, and bolstered by alluring photographs may appeal to a man's fancy, but hardly to his common sense. CORONATION CLOTHS made from PURE VIRGIN WOOL embody the best ideas in combinations of Royal Colors and are the leading fashion today. The Earnsdale Worsted Coronation Cloths are guaranteed fabrics, not an ounce of adulterations; honesty, purity and basic quality in every thread. Earnsdale Worsted Co. Clinton, Mass. SEAL OF GUARANTEE. We are assured from reliable sources that our Coronation Cloths are being imitated in a cheap, low grade of adulterations. GUARD AGAINST THIS DECEPTION by insisting, before buying, upon seeing our Seal of Guarantee.

STOMACH LIVER LUNGS. The chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also. The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body. GIVEN AWAY.—Dr. Pierce's Common Sense Medical Adviser, new revised Edition, is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 21 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.
