It Pays to Buy a Good Overcoat!

One good Overcoat will give you good service for about three years, and if it is one of our **Rosman** Overcoats, it will still have shape and style when you are through with it. It is an extravagance to buy cheap, shoddy woollens. They do not last. We do not mean that you must pay a big price, but you should pay enough to get a dependable garment.

Let us suggest a **Rosman** Overcoat at \$15.00 to \$18.00. If you want a still better one, we have it for you, and at any price you decide upon.

We will guarantee the cloth, the fit, and the workmanship, and return your money or exchange the garment.

If you are in doubt, we are going to recommend one of our good \$17.00 garments; for we know that it will give you \$20.00 worth of wear and satisfaction.
