WHICH TEAM IS YOURS?

Unclipped Clipped

Clipped horses are fresh and full of life and vigor because they dry off quickly at night, rest well and get all the good from their food. Every man who considers the unnatural conditions under which horses are obliged to live and work, assists them to better health by clipping in the spring. No way has ever been devised for doing it SO EASILY and QUICKLY as with this

Stewart Ball Bearing Clipping Machine

This machine weighs only 35 lbs. boxed. You can carry it about anywhere. It has 6 feet of new style, easy running flexible shaft, so all parts of the horse are reached easily.

It has the Famous Stewart One-Nut Tension Knife—highest grade. The gears are all cut from the solid steel bar and made file hard. Then all are enclosed and protected from dust and dirt, where they run in constant oil bath. Price, all complete, as shown, is only \$7.50

It is Guaranteed for 25 Years and anyone can run it and do perfect clipping with it.
