A NEW ARRIVAL

Of Latest Designs and Shapes in the Eaton, Crane & Pike Line of Writing Papers

AN ALLEGORY

In this twentieth century progressiveness, if we desire to go anywhere we do not depend on the old-fashioned, rumbling stage coach but select the fastest and the most luxuriant train to carry us. So, in selecting the medium to convey a message, be it a letter to a friend, the acknowledgment of some social invitation or to express appreciation of hospitality enjoyed, our writing material should be the best, the most artistic, and that which has won the approval of the most critical. This may be had in the fashionable writing paper—

Only Two Weeks to Easter

In two weeks we must be ready for Easter. We have been getting ready for this date for the last four months, and we can surely give you one of the largest and best lines of new spring merchandise we have ever been able to show. Every department is filled with those things which to our best judgment are the season's newest and best values. Nearly every express brings new suit and coat models into our ready-to-wear department. Never were we able to show you so many suits and coats that each model was so entirely different as this season. Come in and see the full line.

Ladies' Suits and Coats

It will pay you to buy Suits and Coats early. If you choose a Suit or Coat leisurely, with plenty of time to try it on, to examine it, don't you always feel better satisfied? If you buy now, you can select a garment in comfortable leisure, have the pick of all the best styles and get a full month's longer wear for your Coat or Suit. Or, if you are not ready to buy a garment immediately, choose one and let us lay it aside for you. When you are looking, remember we have the Wooltex Garment, as well as our other regular makes, and every Garment is guaranteed to be entirely satisfactory. Good style in Garments is not a matter of money. It's a matter of good taste and style-wisdom. It costs no more to make a Suit or Coat in good style than in a poor style. The makers whose Suits we sell KNOW HOW.

Children's Wash Dresses

There is but very few ladies who enjoy sitting down and making Children's Dresses, when they can buy them all ready made for but a fraction more than they will pay for the material. Our line of new Wash Dresses is made by people who know just how to make these garments. Every Dress is made just as well as you yourself would make them, and they have got a degree of style that is different. We have sold Children's Dresses for a number of seasons, but we were never able to give you so good a Dress at 59c as we are putting out this season. When you can get a good styled Dress, in sizes from 6 to 14 years, at from 59c to \$1.50 each, you cannot afford to spend too much time making them. These Dresses are made of the best of materials, such as percales and gingham.

Wash Goods

We are showing a good assortment of Gingham at 8c per yard, small checks and stripes. At 10c we have a full assortment of Amoskang Gingham. These come in plain colors, checks and stripes. At 12 1-2c selected patterns of Bates Gingham. These come in the new 1912 designs. At 25c is our line of 1912 imported Scotch Gingham. These come in double and single fold. The double-fold are the finest. In fact, are 35c grades at 25c per yard. Our new Cotton Foulards are copies of Silk Foulards and look very nearly as well. They have a mercerized finish that gives them a silk-like luster. The price is 15c per yard. 1912 Yard-Wide Percales in both light and dark grounds, new designs and a new cloth, at 10c per yard. Best 1912 Percales in the new colorings. These are very fine and soft. A few of them have side borders. These are 12 1-2c.

Wash Goods
