

TO VOTE ON WOOL BILL

Democratic Measure Up in Senate To-day

SUNDAY CIVIL BILL PASSES

Increases Total of the House Appropriations by \$5,000,000—Akin Insists on Receiving Fair Treatment in Wilson Matter.

Washington, July 25.—A substitute for the Democratic wool tariff was presented to the senate yesterday by Mr. Cummins. It would generally reduce the rates of the present law, but not to such an extent as the bill framed by the house.

To Preserve Competition. Negotiations between the department of justice, the American Press association and the Western Newspaper union for an agreement to bring those corporations into harmony with the Sherman law are approaching conclusion.

"Back to the Land." An aid in the "back to the land" movement has appeared in the form of a series of pamphlets entitled "Agricultural Opportunity," compiled by the bureau of immigration and naturalization, department of commerce and labor.

Akin Insists. "I don't think this committee will give me a square deal. I'll take this thing to the floor of the house," declared Representative Akin of New York yesterday.

At a previous hearing, Secretary Wilson had denied that he got the job for his son or that the government aided the enterprise.

Stone in Bladder Removed Without Surgical Operation

In the spring of 1904, I was confined to my bed with kidney trouble and thought that I would never recover. I took a lot of medicine but did not realize any benefit from anything.

Personally appeared before me this 25th day of September, 1909, J. Loftus Knowles, who subscribed the above statement and made oath that the same is true in substance and in fact.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do for You Send to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. It will convince anyone. You will also receive a booklet of valuable information, telling all about the kidneys and bladder.

Roots Barks Herbs

That have great medicinal power, are raised to their highest efficiency, for purifying and enriching the blood, as they are combined in Hood's Sarsaparilla.

Hood's Sarsaparilla

Get it today in usual liquid form or chocolate tablets called Sarsatabs.

PRAY DEATH FOR ENEMY

Tillet Leads London Strikers in Strange Supplication

THEY REPEAT IN CHORUS

"O God, Strike Lord Devonport Dead"—A Pitched Battle With Stones Fought on the Docks.

London, July 25.—Striking London dock workers, led by Ben Tillet, prayed publicly yesterday that God would strike dead Lord Devonport, whom they regard as their greatest enemy.

Tillet prayed at a mass meeting on Tower hill for the death of Lord Devonport, whom the strikers consider the bitterest of their enemies among the employers.

"Oh God, strike Lord Devonport dead," James O'Grady, who withdrew Tuesday from the House of Commons because the speaker would not permit a debate on the strike, referred to Lord Devonport at the same meeting as the earth's worst criminal.

The suffering of the strikers' families has become so dreadful that the public is filled with horror. The streets in the dock yards districts are filled with hollow-eyed women and children reduced almost to skeletons and so weak that they are hardly able to stand.

Volleys of stones were exchanged and many men were hurt yesterday in a terrific fight between striking dock workers and strike-breakers at the Clyde shipping company's docks in the Wapping district of London.

SPORTING NOTES. Hoping to rout the hoodoo that seems to be clinging to the White Sox, Manager Callahan has made another change in his line-up.

That Fred Clarke is to retire from baseball at the close of the present year again comes to the ears of the baseball public. It seems that Fred was to quit the same several seasons ago.

Tannehill, the former pitcher of the Pirates, has accepted the position to manage the Chillicothe team of the Ohio State league next year.

Carney, the old Holy Cross first baseman, is hitting for 321 in the New England league. He is covering the initial bag for Haverhill. He has made 33 hits in 25 games.

Johnny Titus, the former Philadelphia star and now playing with the Boston Nationals, commenced his baseball career at Concord, N. H. Jack Carney was then managing the New Hampshire team.

Moore, the strike-out pitcher from the Texas league, is soon to join the O'Day crowd. Moore has been in terror in the Texas league for some time and if he continues his good work O'Day has steady work for him.

Eddie McDonald of the Boston National club has again got his eye on the ball. He is also fielding cleverly.

Lieut. George Beaver, a graduate of West Point and who recently came from the Philippines, is still loitering around the Highlanders' park. He says he can play any position in the field and wants a chance to make good.

Charlie Hemphill, the former Yankee, may come back to the New York squad. He has been managing the Atlanta club and it is rumored that he was deposed because of his failure to keep in condition and other diverse rumors circulated are that he will go to the Kansas City club.

Wagner and Wilson can be paired as the great Pirate clean-up duo. There are no two other men on the team that are to be feared by pitchers as are these two men.

Tuesday night at New York, Arthur Chapple broke the world's record for mile and 30-mile race. He clipped three-fifths of a second from the mile record. He lunged up a mark of 39.3-5 seconds for the mile. He was riding on a circular board track and at times was speeding at the rate of 95 miles an hour.

Harry Ables, who was turned loose because of being unable to fool the big leaguers, is now pitching good ball for Oakland in California.

Clarence Kraft is again to try out with the Cleveland club. He was worked out before as a pitcher by the Ohio team. He was sent back to Toledo and from there he rushed to Flint, Mich. He has panned out to be a wonderful hitter. It is his hitting that brings him back to Cleveland.

Boy Killed. Webster, Mass., July 25.—Frank Lubecki, 10 years old, was killed and Joseph Koslowski was seriously injured, when an express train struck a baker's wagon driven by Koslowski at the Chaseville crossing here yesterday.

GRANITEVILLE. Don't make a date for Friday, July 20. Just take a nice moonlight ride to East Barre opera hall and enjoy the nice moonlight effects from the well-known Riley's singing orchestra.

Comfort Your Stomach

And nerves, for both are one, when upset, tired, nervous or fatigued, with a hot dose of

Sanfords Ginger

Nothing better. Besides it's always healthful. A delicious combination of ginger, aromatics and French brandy. Look for the Owl Trade Mark on the wrapper, lest you get a cheap, worthless or dangerous substitute.

the big leagues. He will be used as an outfielder.

"Iron Man" McGinnity well deserves his name. Years ago he was a star with the Giants. This week he pulled off a stunt that reminded the fans of old days.

Courtesy of the New England league is bound to be picked up by some big league club before the season is over. He is one of the best outfielders in the league, having an average of .991.

Jackson, the Boston National league recruit from the South last year, is not doing all the good things that were expected of him.

MANSLAUGHTER TO BE CHARGED. Against Guillette As Result of the Winooski Fracas.

Burlington, July 25.—The autopsy made on the remains of Francis Dennis, whose death occurred during an altercation with Neal Guillette at Winooski Sunday night, has disclosed the fact that Dennis died from the effect of a ruptured blood vessel in the brain.

The secret inquest before Assistant Judge Quinn has been completed. The witnesses examined were Frank Carrier, Leroy Prevost, Theodore Mongeon, Arthur Blinn and Eugene Viens.

Guillette was not asked to appear at the inquest. His attorney, V. A. Bullard was notified by the state's attorney that Guillette could make a statement if he wished, but the respondent's counsel decided not to have his client do so.

From what can be learned from the affairs, the two men had a quarrel and Dennis made a demonstration which was interpreted by Guillette as an attempt to strike him.

Guillette thereupon struck Dennis and the latter fell to the sidewalk never to rise. Dennis was a large, mature man nearing middle age while Guillette is a slight youth of 18, scarcely more than a boy.

CONTESTS "MERE BLUFF"

Mondell Defends Convention Methods

DENOUNCES CRIES OF FRAUD

No "Shadow of Substantiation" for the Charges—Uses Data Which President Taft Later Will Employ.

Washington, July 25.—Specific denial of the claims of the Roosevelt managers that their candidate had been improperly deprived of delegates in the Chicago convention in the contested cases brought either before the national or credentials committees, was made in a speech delivered in the house yesterday by Representative Mondell of Wyoming, who was a member of the credentials committee.

He characterized the contests as "mere bluffs" without shadow of substantiation. Mr. Mondell presented a categorical review of the various contests, using data which it was understood later would be given out from the White House in an attempt to correct what the administration held to be a wrongful conception by the public of events at Chicago.

The speaker declared that Colonel Roosevelt and some of his supporters in voicing charges of fraud had, by their vehemence and persistence in a period of unrest and suspicion, "profoundly influenced many good people."

"The claim that Colonel Roosevelt was denied the nomination at Chicago through larceny of delegates," Mr. Mondell said, "was not only expected to contribute directly to the third party movement, but was expected to contribute even more potently by furnishing indirectly the excuse for the most impudent and revolutionary plan of political larceny ever conceived. It is proposed to steal the livery and secure the benefits of the Republican state conventions, while at the same time repudiating the party and candidates. It is difficult to conceive a more shameless proposal of pure piracy than this."

QUINCY MANUFACTURERS Will Have Their Annual Outing at Bass Point August 3.

Quincy, Mass., July 25.—The annual outing of the Granite Manufacturers' association will be held this year, as for several years, at Bass Point. The date for the outing is Saturday, August 3.

The manufacturers are planning for a grand time and judging from experience of other years they will have it. Most of the party will go down by the morning boat, for a series of athletic sports have been arranged for their amusement.

The main sport will be a game of baseball between the married and single men and anyone seeking for the fine points of the game should see this one. Some of the plays would make the Red Sox blush with envy.

Shortly after noon the usual program calls for their assembling on the lawn in front of the hotel, that their pictures may be taken. Dinner in one of the hotels will be served a little later.

A series of outdoor sports, such as fat and lean men's racing, three-legged races, etc., will follow. Then there are the hundred-yard side shows, including the swimming girls, that will serve to while away the time until the hour of departure for home.

LYNN BUSINESS MEN ARE MUCH AGITATED

Held a Business Meeting Last Evening, at Which Plans Were Made for Reviving the Shoe Industry of the City.

Lynn, Mass., July 24.—Representatives of the various shoe labor unions of Lynn met in conference with members of the Manufacturers' association last night to discuss conditions in the shoe industry in this city as compared with competing shoe centers.

The manufacturers suggested the appointment of a commission of three members, appointed jointly, to visit other shoe manufacturing centers of the country with a view to ascertaining wages paid and other conditions, the commission to report on the possibility of reintroducing the manufacture of the so-called medium-grade shoe into Lynn.

The fifteen union men present expressed themselves as favorable to the proposition and agreed to recommend its confirmation by their respective organizations. Definite action will be taken August 1.

COLLEGE PRESIDENT ACCEPTS. Will Join People of Springfield in Honoring Guttererson.

Burlington, July 25.—President Benton has received a letter from H. B. Tupper, a Springfield attorney, informing him of plans for an elaborate reception to Albert L. Guttererson, the university of Vermont athlete who won the running long jump at the Olympic games, upon his return to this country.

Mr. Tupper said that the local committee wished to make the affair as large and imposing as possible and asked President Benton to be present and make an address.

The president said today that he had accepted the invitation and would do all he could to further the plans. It is expected that a large delegation will go to Springfield on the occasion.

Mr. Guttererson is expected to arrive home about August 10.

INJUNCTION AGAINST OPEN FIRES. Granted Against the Moore Tar and Creosoting Concern in Burlington.

Burlington, July 25.—A chancery suit has just been entered in Chittenden county court, which includes the placing of an injunction on the Moore tar and asphalt works on North street. The orator in the case is Wesley D. Macey and the defendants are Alice Moore and Melvin A. Bundy. Mr. Macey says in his bill of complaint that he owns a house at

MEN'S WEARABLES IN FULL BLOOM

Every season has something new and different, but you ought to see our store now to appreciate what taste and variety is embodied in the styles for spring and summer.

You've heard something of the new shapes, fabrics and styles we are showing in suits, but to appreciate the new ideas in men's apparel in general you need to look around here yourself.

SHIRTS—an endless variety of bright, new patterns that make you want them immediately.

SCARFS—that outdo anything we have seen in many a season.

HOSE---the new shades, and any weight you like.

UNDERWEAR---the light, cool kind that mean freedom and comfort in the hottest days.

COLLARS and CUFFS---the right style at the right price.

BETTER DROP IN.

MOORE & OWENS

Barre's Leading Clothiers 122 No. Main St. Barre, Vt. Telephone 66-L

442 North street, with garden and orchard and adjacent to him is the plant owned by the defendants which manufactures tar, asphalt and other paving materials, necessitating the maintaining of fires to boil the various compounds.

During the life time of the late E. F. Moore the original proprietor the orator avers, the fires were under arches and sufficient smokestacks were used. Lately, he alleges, these have been discontinued with the result that fumes, smoke and gases have done damage to his garden

and orchard, and have been a source of continual annoyance to the people who live in his house. Mr. Macey asks for an injunction restraining the plant from maintaining open fires and for an accounting of damages finally, if there are any.

Chancellor Willard W. Miles has issued his injunction against the plant restraining it from maintaining open fires during the pendency of the proceedings and further order of court. The bond required of the orators is \$500.
