

STANDARD Central Needle Sit Straight Sewing Machines

Are not better because they are different but different because they are better. By virtue of this CENTRAL NEEDLE construction we were permitted to add many other improvements for the benefit and comfort of the user of "Standard" Machines, a complete new stand much more rigid and stronger and new pressed steel belt retainer with dress guard entirely removed. Stand wheel is placed on outside of stand leg and concealed in body of woodwork.

When buying a Standard Machine, your health is of far greater importance than all other considerations. YOU should be interested. It's not what you pay but what you get for what you pay that counts.

Friday's arrivals at the hotel Otis were as follows: H. A. Lewis, Burlington; H. K. Simmons, Springfield; C. P. Norcross, Providence, R. I.; Daniel Beaton, Omaha, Neb.; W. A. Crammer, Syracuse, N. Y.
A drawn game yesterday afternoon was the result of the Italian A. C.-Randolph baseball game at the latter's grounds. The contest was called at the end of the eighth inning with a tie score, one each, in order to give the Barre team an opportunity to catch the northbound train. The game was a pitchers' battle between Beaton of the I. A. C. team and Gay of the Randolph aggregation, with honors slightly in favor of the Barre pitcher. Each pitcher allowed but a single hit apiece. Beaton was in excellent form and fanned 17 men. The Randolph team made its run in the fifth inning and the Barre bunch registered its tally in the seventh inning. The I. A. C. run was brought in by Williams' timely hit.

TALK OF THE TOWN
