

GAY BLEW UP IN THE SIXTH

Barre A. C. Pitcher Had Pitched Well Up to That Point

ST. JOHNSBURY WON, 7 TO 4

Bases on Balls and Errors Gave the Visiting Team the Game Saturday Before a Good Crowd on the Goddard Campus.

The waning baseball season witnessed a defeat for the Barre Athletic club at the campus Saturday afternoon, when a delegation of diamond artists from St. Johnsbury administered a humiliating wallop to the home boys that left the...

Against the G. Moses Gay-Davidson combination the "overhomers" played a trump card in a twirler who is said to be the idol of the east side. H. LeV. has a name that is the despair of the scorers, but he had the goods and delivered them with the proper labels on each bundle. LeVasseur was tickled for a total of six safeties, while his teammates were garnering four from the Barre box men.

Moore was the man who started the winning for St. J. He lifted one to the maple orchard in right at the beginning of the fourth and purloined the second pillow, skipping home when B. Fowle threw the ball to third during the temporary absence of the third baseman. The ball continued traveling toward Merchant street, while Moore raced to the plate.

Inning six was just a repetition of the "overhomers" trailing home with the bacon. Connors, Morrison and Gilliland were among those chosen to hold free tickets and B. LeVasseur earned his title to first by getting hit in the knee. Pitcher Gay furnished an error and Smythe contributed the only hit in that gloomy chapter.

The sky gave every indication of rain throughout the forenoon and afternoon, but the loyal fans who have followed the fortunes of the Barre team all through the season could not be daunted by bad weather promises.

I. A. C. DOWNED BY HARDWICK

LOCAL TEAM FIELDED POORLY

In Addition, They Were Not Able to Connect With Hatch's Offerings to Any Extent—Hardwick Played Fast Ball.

Eight innings sufficed the Hardwick A. C. to vanquish the Italians Saturday afternoon, thereby strengthening its option on the state championship. On account of the absence of light, Umpire Carswell, with the mutual consent of the managements, terminated the contest after the local aspirants failed to respond with a rally in its eighth inning.

Several hundreds of spectators swarmed to Intercity park, filling the bleachers on third base and their numbers partly filling the grandstand. These spectators were kept in unnecessary suspense for nearly an hour, awaiting the arrival of several of the visiting team, whose non-appearance was unaccountable.

The local outfit went to pieces after the fifth inning and, from an impartial standpoint of view, gave a wretched exhibition of baseball, such as would have disgraced a team composed of lads emerging from grammar school. Nevertheless, the Hardwick contingent cannot be deprived of the credit of winning the clash as a retrospection of their work reveals that they outclassed the Italians in every department of the game and at every stage.

Hatch, the Franklin county hardware merchant, whose fame in baseball ranks dates back many years and extends over a good portion of the East, ambled to the little hill and without doubt proved his superiority over the Italians. He held them scoreless, kept his hits well scattered, and his experience made him master of the situation at all times.

The feature of the game was a one-handed catch by Lyons in the third inning. The diminutive second-sacker of the Hardwick aggregation pulled down a Texas leaguer from Joe Comolli's bat in center field by making a spectacular jumping bare-headed catch. This play stayed off a run.

The first scoring of the Hardwick team came in the fifth inning. Leonard opened it with a crash to center field, the ball leaving the bat like a bullet. Scampini took the ball on the bound off the netting and by a fast relay held Lyons at first. Lyons followed with a single to right field. Leonard taking third and Lyons going to second on the throw to third. Here Sarka tightened and struck out the next two batters. Bottigli, the Italian left fielder, was playing in close when Carey rapped one in his territory. Bottigli went back after it, and the spectators opined that the fleet-footed catcher had jumped it.

He managed to knock it down, but two base-runners tallying. Jacques was an easy out, Sarka to Calagni. The sixth inning tells of four more runs for the Caledonia lads. Lyons opened with a double in left field. O'Brien fanned. Hatch was ticketed. Lyons had reached third base on a wild pitch and scored on Comolli's attempt to catch him off third base. Carey then hit to Clark, who threw wild to first. Hatch counted on the play. Carey pilfered second and Jacques reached first on a fielder's choice. Jacques was caught between first and second base, and while a few of the Italians were amusing themselves attempting to catch him, the Hardwick right fielder, Carey, walked in from third base unmolested. Jacques finally drew up to second when Calagni threw the ball at an invisible fielder near second base. Ingraham played to Williams. Brown hit safely to right field and Jacques tallied. Murray was passed but was caught stealing the middle station.

Two more runs were allotted the visitors in the eighth inning. Leonard clipped a sizzling grounder to left, and took second on a passed ball. He scored on Lyons' hit to right field. O'Brien dumped one in front of the plate, forcing Lyons at second. Hatch singled to left, moving O'Brien up a peg. Carey smashed a clean bingle to right and O'Brien crossed the threshold. The next two batters whiffed the air. The score: Hardwick A. C. ab. r. h. po. a. e. A SOUR, GASSY, UPSET STOMACH

"Pape's Diapepsin" Regulates Your Stomach and Ends Indigestion in Five Minutes.

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Diapepsin and in five minutes you truly will wonder what became of the indigestion and distress.

Millions of men and women to-day know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear. If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

Notes

Harry Calagni, the Italian captain, showed a decided reversal of form with the bat. He pounded out two singles. Murray, the former Dean third sacker, had no opportunity to display his ability on the corner station. At the bat he failed to connect safely. Bottigli, the Italian left fielder, was not in good form Saturday. The first two runs were scored on his misjudgment of Carey's hit, and again in the seventh inning he ran in on Lyons' hit, the ball sailing over his head for two bases.

To many the appearance of Tommy Leonard behind the bat was unexpected. The former Dartmouth backstop is a live wire and he installed lots of life into the Hardwick lads. Leonard has been playing independent ball since leaving college. He captained and managed one of the teams in the Twin State league last season. A batting rally started by the Italians in the seventh inning was brought to a close when Witt was hit by a batted ball on his way to second base. There were two men out and Scampini was on second. Calagni hit safely to right field, but Witt was unable to dodge the sizzling sphere. A dispute soon arose over the decision that lasted several minutes, but play was resumed when sufficient convincing evidence was produced to corroborate Umpire Appleton's decision.

GIBSON FEELS BORED IN CELL.

Accused Lawyer's Defence is So Perfect, He Has Not Hired Attorney.

Middleton, N. Y., Sept. 16.—Burton W. Gibson, the accused lawyer, declared in his cell in the Goshen jail to-day that he was preparing a defence which would clear him instantly of the charge that he murdered his client, Rosa Menschik Szabo. He refused to reveal, however, what facts he expected to present to the court when he is arraigned on Sept. 24 to refute the charge that he strangled Mrs. Szabo before she was "drowned" in Greenwood lake, New York, while the pair were boating together on July 16. Gibson to-day had not even engaged a lawyer to defend him. "Oh, I'll get one when the situation warrants it," he said to-day in an apparently bored manner. "Nothing to say," was his answer to all questions bearing upon his case. He declared that he was feeling cheerful and was contented with his quarters in the jail. His cell to-day was strewn with newspapers containing accounts of his commitment.

NINE DEATHS IN STORMS

Six Drowned and Five Missing at Chicago

TORNADO IN NEW YORK STATE

Kills Three and Injures Fifty—Houses Demolished and Cattle Killed in Onondaga County Yesterday.

Chicago, Sept. 16.—Six naval apprentices were drowned, and five are missing as a result of the capsizing of a cutter from the United States naval station.

The cutter capsized 200 feet from shore when a squall struck it. A motor boat going to the rescue also was capsized, and its crew had to swim ashore. Known drowned: R. C. Harlan, I. L. Southworth, J. Wallace J. A. Patten, W. N. Antrigus, A. L. Raymond.

TORNADO KILLS 3; INJURES 50. Causes Destruction in Onondaga County, New York.

Syracuse, N. Y., Sept. 16.—A tornado sweeping northern Onondaga county killed three persons, injured 50, demolished houses, killed cattle and damaged property to the extent of \$250,000 late yesterday. The dead are: William Madison of Syracuse, J. Dopp, Fulton, Charles Chapman, Salina. The wind, accompanied by lightning, left a ten-mile trail of destruction. A funnel shaped cloud first appeared at Long Branch, where buildings toppled and two interurban trolley cars were ditched.

Many seeking shelter in the dance hall were injured when it was demolished. The tornado wrecked the boat house of the Syracuse university navy, with its equipment. Many farmhouses in the county were wrecked and crops ruined. Hitters Hill was practically wiped out, 15 residences fell with other buildings.

AEROPLANES IN COLLISION; AVIATOR SLAIN

Gill and Mestach Fall 75 Feet and Latter Escapes Serious Injury—Machines Collide in Race.

Chicago, Sept. 16.—Aviator Howard W. Gill of Baltimore was fatally hurt on the Cicero Aviation Field Saturday night. George Mestach of France, whose monoplane collided with Gill's biplane when the two were participating in a race 75 feet in the air, was injured. The two men and their machines fell to the earth in the dark. Mestach soon revived and his condition was found to be not serious. Gill died in a hospital. The accident occurred just at darkness at the end of a day of spectacular flights. Five thousand people were viewing the race at the time, but owing to the darkness and the fact that the accident happened on the outside of the field, half a mile distant, few of the spectators could tell just how the disaster occurred.

SPORTING NOTES.

Stretford of the New York Highlanders says that Pendleton, the all-around Princeton athlete, can get down to first base in faster time than Ty Cobb can. Pendleton will have a chance to show up Cobb after college closes next June. Pendleton is hailed as a world-beater, but there are those who will still wager their last penny on the Georgian Peach. Out of the West have come the rumors of a gigantic trade of players said to be between the Phillies, Boston, St. Louis and Cincinnati clubs. The trade is to involve the strongest players on the four teams. Of the Phillies, Magee, Moore, Knabe and Walsh are said to be included, while Sweeney, McDonald and Tyler of Boston, Ellis, Bliss, Steele and Mowrey of St. Louis, and Egan, Clarke, Bescher, Grant and McDonald of Cincinnati are about to change their place of location, as the result of the wholesale barter, if the rumors are founded on fact.

Tommy Leonard, who caught for the Hardwick team Saturday at Intercity park, just closed the season with the Brattleboro club in the Twin State league. Leonard led the team in hitting, having a batting average of .361. His nearest competitor on the team was Snell, the Brown player, who maintained an average of .322. A Brattleboro paper credited the old Dartmouth man with playing good ball and said that he proved not to be a trouble maker.

In next year's line-up of the Brown university is likely to be found several players affiliated with the Avin State league this past year. They are Snell, G. Crowther, Durgin, Loud, Feys, Nash and Reilly.

Minuteness of an Atom.

Sir Oliver Lodge once gave a striking illustration of the minuteness of the atom. The amount of gold in sea water, although very small, seems considerable when stated in atoms, for a single drop of sea water contains 50,000,000 atoms of gold. That figure, however, indicates merely one-fiftieth of a grain in a ton of sea water, and it would take 100,000,000 atoms to be visible under a microscope of the highest power.

ROOSEVELT FLAYS WILSON

On Limitation of Government Speech

AND ACADEMIC DOCTRINES

The Colonel Tells a San Francisco Audience That Democrat Must be Opposed to Progressive Measures.

San Francisco, Sept. 16.—Woodrow Wilson has advanced a program in relation to social and industrial justice, Col. Roosevelt said in a speech at San Francisco Saturday night, "which is either a promise that is not to be kept, or else it means the undoing of every particle of social and industrial advance which we have made." He declared that Col. Wilson "stands for a policy which necessarily means if that policy is honestly put into effect, that he must be against every single progressive measure."

"The trouble with Wilson," said Col. Roosevelt, "is that he is following an outworn philosophy." Mr. Roosevelt declared that "in view of the Democratic platform and of the utterances of Mr. Wilson no man can claim to be a progressive who supports Mr. Wilson on that platform and backed by that party."

Col. Roosevelt's speech was delivered before a large crowd in the coliseum, to which he went immediately on his arrival in San Francisco. He was on the train all day except for a stop of an hour in Reno, Nev., where he delivered an address. Col. Roosevelt based his criticism of Gov. Wilson on a recent speech of the governor before the New York Press club.

WM. D. HAYWOOD ARRESTED IN BOSTON

General Organizer of the I. W. W. Accused of Conspiracy in Connection With Lawrence Strike.

Boston, Sept. 16.—William D. Haywood, general organizer of the Industrial Workers of the World, was arrested here yesterday on a capias warrant issued as the result of an indictment returned by the grand jury charging him with conspiracy in connection with the textile strike at Lawrence. He was released on \$1,000 bonds.

Pirate Rank to Become Minister.

In the major ranks today the game is dignified with the presence of a near minister. If this youngster is ordained he will be known as Maxwell G. Carnarius, but on the battlefield, as a member of the Pittsburgh Pirate crew, he is designated only as Max Carey. Next year Carey or Carnarius, as you see fit to call him, will become a full fledged Lutheran minister, but whether he will take up that profession upon his graduation remains to be seen. Carey is studying for the pulpit at the St. Louis Theological seminary during the winter and playing ball during the summer. If his prowess as a ball player is a criterion of his ability as a minister he should be a power in the religious world.

Hughes Works Pass Game.

Pitcher Tom Hughes of Washington seems to have the right dope on Frank Baker of the Athletics. In the game he pitched against the champions recently he walked Baker the three times he faced him with men on bases, took a chance on McInnis and got away with it, though in the opening inning of the game the play forced in a run. For McInnis got a scratch hit, filling the bases, and Strunk was then unintentionally passed.
