# What Are Your Demands?

When you are buying any kind of merchandise, what are your demands as to the quality and value of the articles purchased? Is the price consideration first or do you demand quality and style first and price as third consideration? When we buy merchandise to offer for sale to the public, we demand that the quality and style shall be right. In buying an article it is not the price you pay that makes you dissatisfied with your purchase. It is the service and style which it gives you. It is very easy to find an article at a cheap price, but if it has not got the style and service, it is like throwing your money away. When we sell you any article of merchandise, we demand that it shall have service and style to meet every requirement.

## Facts About Skirts

No article of woman's wear is subjected to quite the strain of wear that the Skirt receives.

The Skirt is so liable to bagginess at the knees. The Skirt so often grows longer and longer and longer at the back and sags at the waist. And then there is the placket that is so apt to be torn open at the bottom.

But there is a make of Skirts to which all these troubles are unknown.

We sell that make. It is labeled the "M. & C." Skirt.

Wherever strain comes, the M. & C. Skirts are re-inforced and stayed. No ordinary wear can make them baggy.

The M. & C. Continuous Placket cannot tear open. Examine and you'll see why the M. & C. idea has been adopted by the best custom tailors.

The many kinds shown here are priced from \$3.98 to \$12.00.

## New Wooltex Models

The women whose need points to a new Coat or Suit for Thanksgiving and who knows something of the importance of style and quality in dress for such occasion and who is just as particular about getting something exclusive as she is to get something at a reasonable price.

To such we would commend the splendid NEW WOOLTEX GARMENTS WE ARE SHOWING THIS WEEK.

The styles are the latest, the fabrics are strictly all wool, and the tailoring will command attention and interest whenever seen by women who know good tailoring. We have planned this Thanksgiving showing for some weeks.

You cannot believe how many entirely new models we are showing until you can come here and see for yourself.
